SUPPLEMENTARY INFORMATION: The Service Coordinators for Public Housing Agencies Program is funded under the Department of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act for 1994.

The grants will be for up to three years in duration, depending upon the activities undertaken.

A National Lottery competition was held and recipients were chosen under selection criteria announced in a Notice of Funding Availability (NOFA) published in the Federal Register on February 27, 1995 (60 FR 10764).

The major functions of the service coordinators are:

- —To provide general case management and referral services to all elderly and non-elderly disabled residents needing such assistance;
- To establish linkage with all agencies and service providers in the community;
- To set out a directory of providers for use by both PHA staff and residents;
- —To educate residents on service availability, application, procedures, and client rights.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101–35, approved December 15, 1989) the Department is publishing the names and addresses of the Public Housing Agencies which received funding under this NOFA, and the amount awarded to each.
