The above described land parcels are hereby segregated from appropriation under the public land laws, including the mining laws, but not from sale under the above cited statute for 270 days from the date of publication or until title transfers are completed or the segregation is terminated by publication in the Federal Register, whichever occurs first. The land is not suitable for management by another Federal agency. No significant resource values will be affected by this disposal. The sale is consistent with Bureau planning for the land involved and will serve important public objectives.

Sale parcel OR 51852 will be offered under direct sale procedures to Ray and Edna Wagner of Fort Rock, Oregon. Direct sale procedures are considered appropriate, in this case, to resolve a fence line location dispute and to avoid the future unauthorized use of the involved public land. Sale parcels OR 36285, OR 49389, OR 51851 and OR 51853 will be offered using competitive sale procedures. Both sale procedures

are authorized under 43 CFR 2711.3-3. The land will be offered for sale at public auction beginning at 10:00 am PST, on February 21, 1996, and will be by sealed bid only. All sealed bids must be submitted to the BLM, Lakeview District Office at P.O. Box 151, 1000 South Ninth Street, Lakeview, Oregon 97630, no later than 4:30 pm PST, February 20, 1996. A separate written bid must be submitted for each parcel desired and bids must be for not less than the appraised sale price indicated. Each written sealed bid must be accompanied by a certified check, postal money order, bank draft or cashier's check, made payable to the Department of the Interior-BLM for not less than the bid deposit specified in this notice. All bids shall be enclosed in a sealed envelope clearly marked, in the lower left hand corner,

Bid for Public Land Sale OR (*number*), Lake County, Oregon, February 21, 1996.

The total purchase price for the land shall be paid within 180 days of the date of sale or the bid deposit will be forfeited and the parcel(s) will be reoffered to the public with the

exception of sale parcel OR 51852 which will not be reoffered.

The terms, conditions and reservations applicable to the sales are as follows:

(1) Patents to all sale parcels will contain a reservation to the United States for ditches and canals.

(2) The sale parcels will be subject to all valid existing rights of record at the time of patent issuance.

(3) The mineral interests being offered for conveyance with sale parcels OR 49389, OR 51851 and OR 51853 have no known value. A deposit or bid to purchase these parcel(s) will also constitute an application for conveyance of the mineral estate with the following reservations;

(a) The oil and gas and geothermal resources will be reserved to the United States for sale parcels, OR 49389, OR 51851 and OR 51853, *except* the SW $\frac{1}{4}$ of Section 28 of Parcel OR 49389 where the minerals are privately owned.

(b) All minerals relative to sale parcels OR 36285 and OR 51852 will be reserved to the United States.

The above mineral reservations are being made in accordance with Section 209 of the Federal Land Policy and Management Act of 1976.

All qualified bidder(s) must include with their bid deposit, for each parcel, a non-refundable \$50.00 filing fee for conveyance of the mineral estate.

Federal law requires that all bidders must be U.S. citizens, 18 years of age or older, a state or state instrumentality authorized to hold property, or a corporation authorized to own real estate in the state in which the land is located. Under competitive sale procedures, an apparent high bid will be declared at public auction. In the event of a tie, the tied bidders will be notified and given the opportunity to modify their original bids. The apparent high bidder will then be notified.

If the land identified in this notice, except parcel OR 51852, are not sold on the date of first sale offering, the unsold parcels will be available on an over-the-counter competitive sale basis. All over-the-counter sale parcels will be sold subject to the above terms and conditions and at no less than the indicated sale price. Sealed bids will be accepted on the unsold parcels at the Lakeview District Office during regular business hours (7:45 a.m. to 4:30 p.m. PST Monday through Friday) at the address shown below. All sealed bids received will be opened the first Wednesday of each subsequent month until the land is either sold or withdrawn from sale. Prospective buyers should inquire about unsold parcels after February 21, 1996.

Detailed information concerning the sale, including the reservations, sale procedures, terms and conditions, planning and environmental documentation, is available at the Lakeview District Office, P.O. Box 151, 1000 South Ninth Street, Lakeview, Oregon 97630.

For a period of 45 days from the date of publication of this notice in the Federal Register, interested parties may submit comments to the Lakeview Resource Manager, Bureau of Land Management, at the above address. Objections will be reviewed by the District Manager who may sustain, vacate or modify this realty action.
