

[Docket No. RP96-38-000]**Williston Basin Interstate Pipeline Company; Notice of Compliance Filing**

November 8, 1995.

Take notice that on November 3, 1995, Williston Basin Interstate Pipeline Company (Williston Basin), tendered for filing revised tariff sheets to Second Revised Volume No. 1 and Original Volume No. 2 of its FERC Gas Tariff. More specifically, Williston Basin filed the following tariff sheets:

Second Revised Volume No. 1

3rd Rev Thirteenth Revised Sheet No. 15
3rd Rev Sixteenth Revised Sheet No. 16
3rd Rev Thirteenth Revised Sheet No. 18
3rd Rev Eleventh Revised Sheet No. 21

Original Volume No. 2

3rd Rev Fifty-Eighth Revised Sheet No. 11B

The proposed effective date for these tariff sheets are as shown on the tariff sheets.

Williston Basin states that, in accordance with Subsection 36.2.1 of the General Terms and Conditions of Williston Basin's FERC Gas Tariff, Second Revised Volume No. 1, and the Company's Annual Take-or-Pay Reconciliation Filing in Docket No. TM95-3-49-000, filed May 31, 1995, the revised tariff sheets are being filed to reflect the elimination on November 1, 1995 of the Docket No. RP90-137-000 throughput surcharge.

Any person desiring to be heard or to protest said filing should file motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before November 16, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party to the proceeding must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket Nos. TM96-1-8-000, RP95-21-000, and RP95-38-000]**South Georgia Natural Gas Company and Southern Natural Gas Company; Notice on Technical Conference**

November 8, 1995.

On September 29, 1995, the Commission issued an order¹ in Docket No. TM96-1-8-000 requiring, among other things, a technical conference on South Georgia Natural Gas Company's proposed changes to the fuel recovery provisions of its general terms and conditions. The conference will be held 12:30 p.m., November 14, 1995, at 810 First Street, N.E., Washington, DC, in a room to be designated at that time.

In addition, the issue of the mid-day nomination procedures of South Georgia and Southern Natural Gas Pipeline Company remains open in Docket Nos. RP95-38-000 and RP95-21-000, respectively. The Commission staff will inquire at the technical conference whether the matter needs to be pursued further in light of recent discussions of operating issues between Southern and its customers that may have resolved the issue.²

Any questions concerning the conference should be directed to John M. Robinson (202) 208-0808, or Kerry Noone (202) 208-0285.

[Docket No. EC96-1-000, et al.]**Pacific Gas and Electric Company, et al.; Electric Rate and Corporate Regulation Filings**

November 7, 1995.

Take notice that the following filings have been made with the Commission:

1. Pacific Gas and Electric Company

[Docket No. EC96-1-000]

Take notice that on November 2, 1995, Pacific Gas and Electric Company (PG&E) submitted an application pursuant to section 203 of the Federal Power Act for authority to carry out a "disposition of facilities" that would be deemed to occur as the result of proposed corporate reorganization that would create a holding company. The proposed reorganization is described more fully in the application, which is on file with the Commission and open to public inspection.

The application states that PG&E would become a subsidiary of the proposed holding company. It also states that the proposed holding company structure is intended to facilitate the separation of PG&E's utility operations from its activities in other segments to better position PG&E for industry restructuring, to increase financial flexibility and to better insulate utility customers from the risks of non-utility ventures. The application declares that the proposed restructuring
