[Docket No. CP96-56-000]

Southern Natural Gas Company; Notice of Request Under Blanket Authorization

November 13, 1995.

Take notice that on November 8, 1995, Southern Natural Gas Company (Southern), P.O. Box 2563, Birmingham, Alabama 35202-2563, filed a prior-notice request with the Commission in Docket No. CP96-56-000 pursuant to Section 157.205 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to modify an existing meter station to serve as a delivery point in the Saturday Island Field, Plaquemines Parish, Louisiana, under Southern's blanket certificates issued in Docket Nos. CP82-406-000 and CP88-316-000 pursuant to Section 7 of the NGA, all as more fully set forth in the request which is open to the public for inspection.

Southern proposes to modify an existing meter station at or near milepost 0.0 on its 4-inch diameter Saturday Island Field pipeline in Plaquemines Parish, by reversing and replacing the existing 4-inch meter (which currently has the capability to receive gas from the field) with a 2-inch meter run in order to deliver gas to Hubco Exploration Inc. (Hubco). Southern states that Hubco would reimburse Southern for the estimated \$23,603 cost of modifying the meter. Southern also proposes to abandon the 4-inch meter under Section 157.16(a) of the Regulations.

Southern states that it would deliver gas to Hubco under its FERC Rate Schedule IT via its Part 284, Subpart G blanket certificate. Southern would deliver 166 Mcf of natural gas per average day, 600 Mcf per peak day, and 60,000 Mcf annually on an interruptible basis for Hubco's gas lift operations in its oil production facilities. Southern indicates that Hubco's oil wells are currently shut-in and that without Southern's natural gas deliveries, Hubco would not be able to resume its production activities.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed

and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.
