OMB Number: 1545-1432.

Project Number: PC:V 95-016-G.

Type of Review: Revision.

Title: 1. Information Mapping—Form 8829 Focus Group Interviews.

2. Tax Filing Behavior Focus Group Interviews.

Description: 1. IRS is exploring effective ways to reduce taxpayer burden in preparing tax returns by simplifying forms, instructions, and other technical guidance by using the Information Mapping method developed by Dr. Robert E. Horn. This method provides an organized, analytical approach to writing education and training material. IRS hopes to use the method to increase writing efficiency, organize material better, make important information more accessible to the reader, and eliminate inconsistencies.

2. The IRS recently found that there is a significant increase in the usage of return preparation software within the professional accounting community.

The IRS is interested in exploring if similar changes are occurring in individual and small business taxpayers filing behavior and patterns. Information gathered in these focus groups will help IRS adapt their products and services to meet taxpayers changing needs.
