A public hearing to inform the public of the DEIS findings and to solicit comments will be held on December 1, 1995, beginning at 6 pm, in the Fallbrook Community Center, located at 341 Heald Lane, Fallbrook, California 92028.

The public hearing will be conducted by the Marine Corps. Federal, State, and local agencies and interested parties are invited and urged to be present or represented at the hearing. Oral statements will be heard and transcribed by a stenographer; however, to assure accuracy of the record, all statements should be submitted in writing. All statements, both oral and written, will become part of the public record on this study. Equal weights will be given to both oral and written statements.

In the interest of available time, each speaker will be asked to limit their oral comments to five minutes. If longer statements are to be presented, they should be summarized at the public hearing and submitted in writing either at the hearing or mailed to the address listed at the end of this announcement. In accordance with the Defense Base Closure and Realignment Act of 1990 and the specific base closure and realignment decisions approved by the president and accepted by Congress in September 1995, the proposed action is the realignment of Marine Corps Air Station Camp Pendleton. The proposed action relocates aircraft and associated assets from MCAS Tustin and MCAS El Toro, which are closing, to MCAS Camp Pendleton.

Alternatives considered in the DEIS include: no action, development alternatives (alternative site configurations) at MCAS Camp Pendleton, and use of other military installations. The proposed action will have impacts on noise, endangered species, cultural assets, and air quality.
