Notice of Lodging of Consent Decree Pursuant to the Clean Water Act

In accordance with Department of Justice Policy, 28 CFR 50.7, notice is hereby given that on November 9, 1995, a proposed Consent Decree was lodged with the United States District Court for the District of Oregon in *United States v. Southern Pacific Transportation Company*, Civil Action No. 94-6176-HO. The proposed Consent Decree settles claims asserted by the United States at the request of the United States Environmental Protection Agency ("EPA") and the Secretary of the Department of Transportation, in a Complaint filed on April 26, 1994. In its complaint the United States sought assessment of a civil penalty pursuant to 33 U.S.C. 1321(b)(7) of the Clean Water Act ("the CWA"), 33 U.S.C. 1321(b)(7), injunctive relief pursuant to Section 309(b) of the CWA, 33 U.S.C. 1319(b), and reimbursement of the United States' removal costs pursuant to Section 1002(a) of the Oil Pollution Act, of 1990 ("OPA"), 33 U.S.C. 2702(a), or alternatively, Section 311(f) of the CWA, 33 U.S.C. 1321(f). The United States alleged that the violations occurred when a Southern Pacific train derailed near Yoncalla, Oregon on January 27, 1993 and spilled diesel fuel into the Yoncalla Creek and onto the adjacent shoreline.

Under the proposed Consent Decree, Southern Pacific will pay a civil penalty of \$58,300 to the United States. Southern Pacific will also pay \$200,000 of the United States' removal costs incurred in responding to the Yoncalla Spill. In return for the payments by Southern Pacific, the proposed Consent Decree provides that the settlement resolves the claims alleged by the United States in its complaint, as well as any claims for damages to natural resources arising out of the Yoncalla Spill pursuant to Section 311(f) of the CWA, 33 U.S.C. 1321(f), or Section 1002 of the Oil Pollution Act of 1990, 33 U.S.C. 2702. The covenant not to sue for natural resource damages is based in part on Southern Pacific's earlier settlement with the Oregon Department of Environmental Quality (ODEQ), under which Southern Pacific agreed to pay ODEQ approximately \$215,000 for

restoration of resources injured by this oil spill. The U.S. Department of the Interior and ODEQ have entered into a Memorandum of Agreement for joint selection of restoration projects.

The Department of Justice will receive written comments relating to the proposed Consent Decree for thirty (30) days from the date of publication of this notice. Comments should be addressed to the Assistant Attorney General of the Environment and Natural Resources Division, U.S. Department of Justice, Washington, D.C. 20530, and should refer to *United States v. Southern Pacific Transportation Co.*, D.J. Ref. No. 90-5-1-1-5057.

The proposed Consent Decree may be examined at the Region 10 Office of EPA, 7th Floor Records Center, 1200 Sixth Avenue, Seattle, WA 98101. A copy of the Consent Decree may be obtained in person or by mail from the Consent Decree Library, 1120 G Street NW., 4th Floor, Washington, D.C. 20005, (202) 624-0892. In requesting copies, please enclose a check in the amount of \$3.00 (25 cents per page reproduction cost) payable to the "Consent Decree Library."
