

delivered price to unrelated purchasers in the home market.

We made deductions, where appropriate, for discounts, freight, and direct selling expenses. Since packing expenses were the same in both market we made no adjustments for packing. We also made a circumstance-of-sale adjustment, where appropriate, for differences in credit expenses and commissions.

We made difference-in-merchandise adjustments, where appropriate, based on differences in the variable cost of manufacture. Finally, we adjusted for Mexican consumption taxes in accordance with our decision in *Silicomanganese from Venezuela, Preliminary Determination of Sales at Less Than Fair Value, 59 FR 31204, June 17, 1994*.

No other adjustments were claimed or allowed.

We used constructed value for models for which there were insufficient home market sales at or above the COP. Constructed value consisted of the sum of materials, fabrication, overhead, general expenses, profit, and U.S. packing. In accordance with section 773(e)(1)(B), we used the actual amount of general expenses because these amounts were more than the statutory minimum of ten percent. We used eight percent for profit because Cinsa's profit was less than the statutory minimum of eight percent.

Preliminary Results of the Review

As a result of this review, we preliminarily determine that the following margins exist for the period December 1, 1993, through November 30, 1994:

Manufacturer/Producer/Exporter	Margin Percent
Cinsa	6.36

Parties to the proceeding may request disclosure within 5 days and interested parties may request a hearing not later than 10 days after publication of this notice. Interested parties may submit written arguments in case briefs on these preliminary results within 30 days of the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than 7 days after the time limit for filing case briefs. Any hearing, if requested, will be held 7 days after the scheduled date for submission of rebuttal briefs. Copies of case briefs and rebuttal briefs must be served on interested parties in accordance with 19 CFR 353.38(e). Representatives of parties to the proceeding may request disclosure of

proprietary information under administrative protective order no later than 10 days after the representative's client or employer becomes a party to the proceeding, but in any event not later than the date the case briefs, under 19 CFR 353.38(c), are due. The Department will publish the final results of its analysis of issues raised in a case or rebuttal brief or at a hearing.

Upon completion of the final results in this review, the Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Individual differences between USP and FMV may vary from the percentages stated above. The Department will issue appropriate appraisal instructions directly to the Customs Service upon completion of this review.

Furthermore, the following deposit requirements will be effective upon publication of our final results of review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after that publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act:

(1) The cash deposit rate for the reviewed company will be those rates established in the final results of this review;

(2) The cash deposit rate for subject merchandise exported by manufacturers or exporters not covered in this review, but covered in previous reviews or in the original LTFV investigation, will be based upon the most recently published rate in a final result or determination for which the manufacturer or exporter received a company-specific rate;

(3) The cash deposit rate for subject merchandise exported by an exporter not covered in this review, a prior review, or the original investigation, but where the manufacturer of the merchandise has been covered by this or a prior final results or determination, will be based upon the most recently published company-specific rate for that manufacturer; and

(4) The cash deposit rate for merchandise exported by all other manufacturers and exporters, who are not covered by these or any previous administrative review conducted by the Department, will be the "all others" rate established in the less than fair value investigation.

Because this proceeding is governed by an antidumping duty order, the "all others" rate will be 29.52 percent, the "all others" rate established in the LTFV investigation.

These deposit requirements, when imposed, shall remain in effect until

publication of the final results of the next administrative review.

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review, and notice are in accordance with section 751(a)(1) of the Act and 19 CFR 353.22.

Dated: November 9, 1995.

Susan G. Esserman,

Assistant Secretary for Import Administration.

Tapered Roller Bearings From Yugoslavia, Revocation of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of revocation of antidumping duty order.

SUMMARY: The Department of Commerce (the Department) is notifying the public of its revocation of the antidumping duty order on tapered roller bearings from Yugoslavia because it is no longer of any interest to domestic interested parties.

EFFECTIVE DATE: November 24, 1995.

FOR FURTHER INFORMATION CONTACT: Kris Campbell or Michael Panfeld, Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230, telephone (202) 482-3813.

SUPPLEMENTARY INFORMATION:

Background

The Department may revoke an antidumping duty order if the Secretary concludes that the duty order is no longer of any interest to domestic interested parties. We conclude that there is no interest in an antidumping duty order when no interested party has requested an administrative review for five consecutive review periods and when no domestic interested party objects to revocation (19 CFR 353.25(d)(4)(iii)).

On August 1, 1995, the Department published in the Federal Register (60 FR 39153) its notice of intent to revoke the antidumping duty order on tapered roller bearings from Yugoslavia (August 14, 1987). Additionally, as required by 19 CFR 353.25(d)(4)(ii), the Department served written notice of its intent to revoke this antidumping duty order on each domestic interested party on the service list. Domestic interested parties who might object to the revocation were provided the opportunity to submit their comments not later than the last day of the anniversary month.

In this case, we received no requests for review for five consecutive review periods. Furthermore, no domestic interested party, as defined under § 353.2 (k)(3), (k)(4), (k)(5), or (k)(6) of the Department's regulations, has expressed opposition to revocation. Based on these facts, we have concluded that the antidumping duty order on tapered roller bearings from Yugoslavia is no longer of any interest to interested parties. Accordingly, we are revoking this antidumping duty order in accordance with 19 CFR 353.25(d)(4)(iii).

Scope of the Order

Imports covered by the revocation are shipments of tapered roller bearings from the territory within the geographical boundaries of Yugoslavia at the time the order was issued. This merchandise is currently classifiable under Harmonized Tariff Schedules (HTS) item numbers 8482.20.00, 8482.91.00.50, 8482.91.00.60, 8482.99.15, 8482.99.30, 8482.99.35, 8482.99.45, 8482.99.65.90, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80, 8708.70.60.60, 8708.99.24, 8708.99.40.00, 8708.99.49.60, 8708.99.80.15, and 8708.99.80.80. The HTS numbers are provided for convenience and customs purposes. The written description remains dispositive.

This revocation applies to all unliquidated entries of tapered roller bearings (from the territory within the geographical boundaries of Yugoslavia at the time the order was issued) entered, or withdrawn from warehouse, for consumption on or after August 1, 1995. Entries made during the period August 1, 1994, through July 31, 1995, will be subject to automatic assessment in accordance with 19 CFR 353.22(e). The Department will instruct the Customs Service to proceed with liquidation of all unliquidated entries of this merchandise entered, or withdrawn from warehouse, for consumption on or after August 1, 1995, without regard to antidumping duties, and to refund any

estimated antidumping duties collected with respect to those entries. This notice is in accordance with 19 CFR 353.25(d).

Deputy Assistant Secretary for Compliance.

COMMODITY FUTURES TRADING COMMISSION

Advisory; Customer Orders

AGENCY: Commodity Futures Trading Commission.

ACTION: Advisory.

SUMMARY: The Commodity Futures Trading Commission ("Commission") is issuing an Advisory concerning customer orders transmitted to and reported from exchange trading pits in an extremely rapid manner. The purpose of this Advisory is to inform the exchanges that, for such orders, an exchange will be deemed to have demonstrated good faith towards meeting the objectives of Section 5a(b)(3) of the Commodity Exchange Act ("Act"), provided that certain recordkeeping and enforcement provisions are met.

DATES: The Advisory is to be effective January 23, 1996.

FOR FURTHER INFORMATION CONTACT: De' Ana H. Dow, Special Counsel, or Rachel F. Berdansky, Attorney/Advisor, Division of Trading and Markets, Commodity Futures Trading Commission, 2033 K Street, N.W., Washington, D.C. 20581. Telephone: (202) 418-5490.

SUPPLEMENTARY INFORMATION:

I. Introduction

The Commission is hereby issuing guidance concerning all customer orders that are transmitted to and reported from the trading pit in an extremely rapid manner through hand signals or verbally ("flashed orders"). An exchange must satisfy the standards set forth in this Advisory to demonstrate compliance with Commission Regulation 1.35(a-1)(2)(i) and 1.35(a-1)(4), as well as good faith compliance with Section 5a(b)(3).

Commission Regulation 1.35(a-1)(2)(i) and 1.35(a-1)(4) provides that order tickets, among other things, must be timed upon receipt on the trading floor ("entry time") and when the execution price is reported from the floor ("exit time"). Section 5a(b)(3) of the Act sets forth heightened audit trail standards, including a heightened audit trail for customer orders. The enhanced standards go into effect in October 1995, in accordance with the terms thereof.

The Commission has taken several steps with respect to implementation of Section 5a(b)(3) of the Act. Specifically, the Commission issued a Report to Congress on Futures Exchange Audit Trails that assessed the progress of each exchange in complying with current and future audit trail requirements, and
