

Notice of the current investigation, Investigation No. 332-207 was published in the Federal Register of March 13, 1985 (50 FR 10118).

**EFFECTIVE DATE:** November 14, 1995.

By letter of October 17, 1995, the Committee requested that the Commission change its publication schedule from monthly to quarterly reports, effective immediately, and by January 1996 move to annual publication and finally, terminate the report by January 1998. Accordingly, the Commission has determined to publish one quarterly report for the Oct.-Dec. 1995 period and one annual report for 1996, and will terminate the investigation effective January 1, 1998.

**FOR FURTHER INFORMATION CONTACT:**

Information may be obtained from Mr. Michael Hagey (202-205-3392), Services, Electronics, and Transportation Division, Office of Industries, or from Mr. William Gearhart, Office of the General Counsel (202-205-3091). The media should contact Ms. Margaret O'Laughlin, Office of Public Affairs (202-205-1819). Hearing impaired individuals are advised that information on this matter can be obtained by contacting the TDD terminal on (202-205-1810).

Issued: November 20, 1995.

By order of the Commission.

Donna R. Koehnke,  
Secretary.

## DEPARTMENT OF JUSTICE

### Office of Justice Programs, Bureau of Justice Statistics

#### Information Collection Under Review

The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" from the date listed at the top of this page in the Federal Register.

Request written comments and suggestions from the public and affected agencies concerning the proposed collection of information. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the

proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology; e.g., permitting electronic submission of responses. If you have additional comments or suggestions, please include them with your written response. If a copy of the proposed collection instrument with instructions is not published in this notice please contact the agency representative listed below if you wish to receive a copy contact: Dr. Jan M. Chaiken, Director, Bureau of Justice Statistics, 633 Indiana Avenue NW., Washington, DC 20531. Telephone: 202-307-0765.

Overview of this information collection:

(1) *Type of Information Collection:* Reinstatement, with Change, of a Previously Approved Collection for which Approval has Expired.

(2) *Title of the Form/Collection:* Survey of Inmates in State Correctional Facilities—1996, and Survey of Inmates in Federal Correctional Facilities—1996.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Forms NPS-13, and NPS-25. Sponsored by the Bureau of Justice Statistics and the Federal Bureau of Prisons, United States Department of Justice.

(4) *Who will be asked or required to respond, as well as a brief abstract:* Primary: Federal and State Prison Management Officials. Other: None. Federal and State Prison Management Officials will be asked to furnish a list of all inmates in custody. The list will be checked for completeness with the NPS-13. Approximately 19,150 sampled State and Federal inmates will be asked a series of questions in a personal interview (NPS-25) using Computer Assisted Personal Interviewing. The interview will collect information on the controlling offense, demographic characteristics of the inmate, criminal history, alcohol and drug use, victims of violent crime and conditions of confinement. The Bureau of Justice Statistics uses this information in published reports, and for the United States Congress, the Executive Office of the President, practitioners, researchers, and others in the criminal justice community.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 278 responses at 1 hour each for the NPS-13 and 19,150 responses at 1 hour each for the NPS-25.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 19,428 annual burden hours.

If additional information is required contact: Mr. Robert B. Briggs, Clearance Officer, United States Department of Justice, Systems Policy Staff, Justice Management Division, Suite 850, Washington Center, 1001 G Street, NW., Washington, DC 20530.

Dated: November 21, 1995.

Robert B. Briggs,

Department Clearance Officer, U.S.

Department of Justice.
