**[Docket 75-95]**

**Foreign-Trade Zone 99, Wilmington, Delaware; Proposed Foreign-Trade Subzone; Star Enterprise (Oil Refinery Complex); Delaware City, DE**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Delaware Economic Development Office on behalf of the State of Delaware, grantee of FTZ 99, requesting special-purpose subzone status for the oil refinery complex of Star Enterprise (general partnership between Texaco Refining and Marketing (East), Inc. and Saudi Refining, Inc.), located in Delaware City, Delaware. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on November 13, 1995.

The refinery complex (1,800 acres) consists of a main refinery/ petrochemical plant, storage tanks and a marine terminal, located at the intersection of Rte. 9 and Rte. 72 on the Delaware River in Newcastle County (Delaware City area), Delaware, some 35 miles south of Philadelphia.

The refinery (140,000 barrels per day; 652 employees) is used to produce fuels and petrochemical feedstocks. Fuels produced include gasoline, distillates and naphthas. Petrochemicals include propane and butane, and refinery by-products include sulfur and petroleum coke. All of the crude oil (93 percent of inputs), and some feedstocks and motor fuel blendstocks are sourced abroad.

Zone procedures would exempt the refinery from Customs duty payments on the foreign products used in its exports. On domestic sales, the company would be able to choose the finished product duty rate (nonprivileged foreign status—NPF) on certain petrochemical feedstocks and refinery by-products (duty-free). The duty on crude oil ranges from 5.25¢ to 10.5¢ barrel. The application indicates that the savings from zone procedures would help improve the refinery's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to

investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is January 29, 1996.

Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to February 12, 1996).

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

U.S. Department of Commerce District Office, 660 American Avenue, Suite 201, King of Prussia, Pennsylvania 19406
