

accommodate FGT's transportation and delivery of natural gas to Tallahassee on a self-implementing basis under FGT's blanket transportation certificate. The proposed delivery capacity at this meter station would be 60 MMBtu per hour and 1,000 MMBtu per day at a pressure of 60 psig. FGT states that Tallahassee would reimburse FGT for the total cost of the proposed construction which is estimated to be \$114,000.

FGT states that the operation of the proposed new meter station would not increase FGT's contractual gas deliveries to Tallahassee under the existing firm and interruptible gas transportation service agreements and would have no impact on FGT's peak day or annual deliveries.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Lois D. Cashell,
Secretary.

BILLING CODE 6717-01-M

[Docket No. RP96-51-000]

Panhandle Eastern Pipe Line Company; Notice of Proposed Changes in FERC Gas Tariff

December 1, 1995.

Take notice that on November 28, 1995, Panhandle Eastern Pipe Line Company (Panhandle) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the tariff sheets listed on Appendix A to the filing, to become effective January 1, 1996.

Panhandle states that the purpose of this filing, made in accordance with the provisions of Section 154.202 of the Commission's Regulations, is to implement Rate Schedule GPS for Gas Parking Service on Panhandle's system pursuant to Panhandle's blanket authority under Part 284 of the Commission's Regulations to supplement existing services provided

under Panhandle's Rate Schedules FT, EFT, SCT, IT, EIT, IOS, IOS, WS, PS, IWS, FS, GDS and TBS.

Panhandle states that it is proposing to make this service available to satisfy the requirements of shippers whose circumstances warrant the deferral for a brief time of the delivery of gas received and who desire to avoid imbalance penalties. At the present time Panhandle does not offer a Parking service.

Panhandle states that it has gained experience operating its system under Order No. 636 and believes there is a need in the marketplace for this Parking service. The proposed service under Rate Schedule GPS will facilitate the temporary needs of shippers serving markets on Panhandle's system and will assist in managing supply for producers, aggregators and pooling shippers.

Panhandle states that copies of this filing are being served on all customers subject to the tariff sheets and all interested state regulatory agencies.

Any person desiring to be heard or to protest this filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with §§ 385.214 and 385.211 of the Commission's Rules and Regulations. Pursuant to Section 154.210 of the Commission's regulations, all such motions or protests must be filed not later than 12 days after the date of the filing noted above. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Lois D. Cashell,
Secretary.

BILLING CODE 6717-01-M

[Docket No. CP96-70-000]

Texas Eastern Transmission Corporation; Notice of Request Under Blanket Authorization

December 1, 1995.

Take notice that on November 15, 1995, Texas Eastern Transmission Corporation (Texas Eastern), 5400 Westheimer Court, P.O. Box 1642, Houston, Texas 77251-1642, filed in Docket No. CP96-70-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's

Regulations under the Natural Gas Act (18 CFR 157.205, 157.211) for authorization to construct and operate a delivery point to Sun Company, Inc. (Sun) in Philadelphia County, Pennsylvania, under Texas Eastern's blanket certificate issued in Docket No. CP82-535-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Texas Eastern proposes to construct and operate a delivery point to Sun in order to provide up to 50,000 dth/d of interruptible transportation service to Sun at a cost of \$835,390 to be reimbursed by Sun.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Lois D. Cashell,
Secretary.
