This Notice also lists the following information:

Title of Proposal: Petition Form.

Description of the Need for the Information and Proposed Use: The information to be collected by the petition form is required for the Authority to be able to process and decide representation issues arising under the Federal Service Labor-Management Relations Statute, 5 U.S.C. §§ 7101 to 7135. The information collected on the petition form is to be used to enable Authority staff employees to contact affected parties in representation case proceedings, and to enable staff employees to take the necessary steps to begin the processing of the petition. The petition form will be provided to members of the public who request the form from the Authority's regional offices, to enable those members of the public to initiate a representation case proceeding before the Authority. The petition form is filed with an appropriate Authority regional office.

The petition form includes questions to the filer concerning the issues raised by the petition and the results the petitioner seeks as a consequence of filing the petition; a description of the collective bargaining unit affected by the petition, including employees who would be included or excluded from the unit; the showing of employee interest expressed as a per cent of the unit

affected that supports the petition; the names, addresses, and telephone numbers of the representatives of the union(s), agency(ies), and activity(ies) affected by the petition; the date of recognition or certification of the exclusive bargaining representative, if any, of any unit affected by the petition; and a declaration by the filer of the petition as to the truth of the statements made in the petition.

Members of the Affected Public: Federal employees representing Federal agencies in their capacity as employer, Federal employees and employees of labor organizations that are representing those labor organizations, and Federal employees in their individual capacities, are the members of the public who may file the representation form.

Estimation of the Total Numbers of Hours Needed to Prepare the Information Collection: It should normally take a party no longer than one hour to complete a petition form for filing with the Authority. In FY 1995, 496 representation forms were filed with the Authority.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chap. 35, as amended.

Dated: December 5, 1995.
