The Proposal

The FAA is considering an amendment to Part 71 of the Federal Aviation Regulations (14 CFR part 71) to establish Class E airspace extending upward from 700 feet above the surface at Richlands, VA. A GPS RWY 25 SIAP has been developed for Tazewell County Airport. Additional controlled airspace extending upward from 700 feet above the surface is needed to accommodate this SIAP and for IFR operations at the airport. The area would be depicted on appropriate aeronautical charts. Class E airspace designations for airspace extending upward from 700 feet above the surface are published in Paragraph

6005 of FAA Order 7400.9C, dated August 17, 1995, and effective September 16, 1995, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this proposed regulation—(1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that would only affect air traffic procedures and air navigation, it is certified that this proposed rule would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

2. The incorporation by reference in 14 CFR 71.1 of the Federal Aviation Administration Order 7400.9C, dated August 17, 1995, and effective September 16, 1995, is proposed to be amended as follows:

Payments Under Judgments And Private Relief Acts

AGENCY: Financial Management Service, Fiscal Service, Treasury.

ACTION: Notice of proposed rulemaking.

SUMMARY: This action proposes to revise the regulations which govern the procedures for payments under Judgments and Private Relief Acts. It specifically addresses the procedures for applying for payments, and clarifies the payment process. These revisions are intended to provide greater clarity and understanding by replacing obsolete references and unnecessary requirements with current references and requirements.

DATES: Comments must be submitted on or before February 7, 1996.

ADDRESSES: Comments may be addressed to Charles F. Schwan III, Director, Funds Management Division, Financial Management Service, Room 620D, 3700 East-West Highway, Hyattsville, MD 20782 or by FAX to the attention of Charles Schwan on (202) 874-8372.

FOR FURTHER INFORMATION CONTACT: Charles F. Schwan III, (202) 874-8380, Director, Funds Management Division; or Bernice Mays, (202) 874-8652, Accountant, Credit Accounting Branch.

SUPPLEMENTARY INFORMATION:

Background

The proposed revision will update the procedure for making claims. This will benefit claimants by reducing the requirements that must be followed in order to receive payment on judgments against the United States. This regulation currently sets a threshold for judgment claims greater than \$100,000 and judgment claims equal to or less than \$100,000. The change would

eliminate the \$100,000 threshold distinction for processing a claim.

Rulemaking Analysis

It has been determined that this regulation is not a significant regulatory action as defined in Executive Order 12866. Accordingly, a regulatory assessment is not required. It is hereby certified that this revision will not have a significant economic impact on a substantial number of small entities. Accordingly, a regulatory flexibility analysis is not required. This change will clarify the regulation.

List of Subjects in 31 CFR Part 256

Claims, Administrative practices and procedures.

For the reasons set forth in the preamble, 31 CFR part 256 is proposed to be revised to read as follows:

PART 256—PAYMENTS UNDER JUDGMENTS AND PRIVATE RELIEF ACTS

Sec.

256.1 Judgments against the United States.

256.2 Payment of sums appropriated in private relief acts.

Authority: 28 U.S.C. 2414; 31 U.S.C. 1304.

§ 256.1 Judgments against the United States.

(a) Persons securing money judgments against the United States in the U.S. Court of Federal Claims are required to file original transcripts of such judgments with the Comptroller General of the U.S. General Accounting Office (GAO) in order to secure payment. In addition, the U.S. Department of Justice submits a voucher for payment with supporting documents to the GAO on

behalf of the claimants. The GAO certifies payment on a Certificate of Settlement to the U.S. Treasury Department, Financial Management Service (FMS).

(b) For persons securing money judgments against the United States in the U.S. district courts, the same procedures as described in paragraph (a) of this section apply, except that all of the necessary paperwork is forwarded directly to the GAO by the U.S. Department of Justice. Neither a filing nor a request for payment is required from the claimant securing a judgment. The GAO verifies that the voucher is proper for payment from the Judgment fund and transmits a certified award to FMS.

(c) Payment is made to the claimant in accordance with the instructions as stated in the certified award.

§ 256.2 Payment of sums appropriated in private relief acts.

Persons entitled to payment of sums appropriated in private relief acts should make application for payment to the Credit Accounting Branch, Financial Management Service, Treasury Department, Hyattsville, MD 20782. Upon receipt of an application, bearing the signature and mailing address of the beneficiary, the Credit Accounting Branch will initiate the necessary review of the applicable private law and will effect payment in accordance with the private law.

Dated: November 22, 1995.

Commissioner.
