Columbia Gas Transmission Corp.; Notice of Proposed Changes in FERC Gas Tariff

January 3, 1996.

Take notice that on December 29, 1995, Columbia Gas Transmission Corporation (Columbia) filed a motion to place its suspended rates into effect

on February 1, 1996, and tendered for filing the revised tariff sheets to its FERC Gas Tariff, Second Revised Volume No. 1 and Original Volume No. 2, listed on Appendix A to the filing. The revised tariff sheets on Appendix A bear an issue date of December 29, 1995, and a proposed effective date of February 1, 1996.

Columbia states that it is also tendered for filing the revised tariff sheets listed on Appendix B to the filing, which bear an issue date of December 29, 1995, and a proposed effective date of May 1, 1996. Columbia states that it is not moving the Appendix B tariff sheets into effect at this time, but is reserving the right to move them into effect as of May 1, 1996, or at any time thereafter. Columbia states that the revised filing is being made in accordance with the Commission's suspension order issued August 31, 1995 in this proceeding and 18 CFR 154.206.

Columbia states that in accordance with an agreement between Columbia, Commission Staff and intervenors, the Appendix A tariff sheets reflect a 25% reduction of the filed-for increase (including the impact of the proposed Stranded Facilities Charge (SFC) and Electric Power Cost Adjustment (EPCA)) to all rates except the gathering and processing rates. However, Columbia states that the gathering and processing rates set forth on the Appendix A tariff sheets reflect the lower May 1, 1996, rates for those services. The Appendix A tariff sheets also reflect the correction of a classification error, and revisions to the Stranded Facilities Charge and Section 46 of the General Terms and Conditions of Columbia's tariff required by the suspension order. The Appendix B tariff sheets reflect the correction of a classification error, the changes required by the suspension order, and an adjustment removing certain base period expenses in accordance with Columbia's recent settlement in Docket No. GP94-02, et al. The filing and the Appendix A and Appendix B tariff sheets are explained in greater detail in the transmittal letter accompanying the filing.

Columbia states that copies of its filing have been mailed to all firm customers, interested interruptible customers and affected state regulatory commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure. Pursuant to Section 154.210 of the Commission's Regulations, all
