January 19, 1996.

Take notice that on January 5, 1996 Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing to become part of its FERC Gas Tariff, Third Revised Volume No. 1, Substitute Second Revised Sheet No. 264. Such tariff sheet is proposed to be effective September 13, 1995.

Transco states that the purpose of the instant filing is to comply with the "Order Denying Rehearing and Clarifying Order and Accepting Compliance Filing, Subject to Condition" issued December 21, 1995 (December 21 Order). Transco respectfully requests that the Commission grant a waiver of Section 154.22 of its Regulations, and any other waivers that may be necessary, in order that the enclosed tariff sheet, be made effective as proposed herein.

Transco is serving copies of the instant filing on the parties in this proceeding.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 385.211 of the Commission's Rules and Regulations.
