

Department of the Interior's National Register of Natural Landmarks.

(c) Have highly controversial environmental effects.

(d) Have highly uncertain and potentially significant environmental effects or involve unique or unknown environmental risks.

(e) Establish a precedent for future action or represent a decision in principle about future actions with potentially significant environmental effects.

(f) Be directly related to other actions with individually insignificant but cumulatively significant environmental effects.

(g) Have adverse effects on properties listed or eligible for listing on the National Register of Historic Places.

(h) Have adverse effects on species listed or proposed to be listed on the List of Endangered or Threatened Species, or have adverse effects on designated Critical Habitat for these species.

(i) Require compliance with Executive Order 12988 (Floodplain Management), Executive Order 11990 (Protection of Wetlands), or the Fish and Wildlife Coordination Act. However, an action may be categorically excluded following applicable reviews if the action is found to be in conformance with the applicable law or executive order.

(j) Threaten to violate a Federal, State, local or tribal law or requirement imposed for the protection of the environment.

BILLING CODE 4310-05-P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 64

[CC Docket No. 91-281; DA 96-19]

Calling Number Identification Service—Caller ID

AGENCY: Federal Communications Commission.

ACTION: Proposed rule; extension of comment period.

SUMMARY: On January 16, 1996, the Common Carrier Bureau (Network Services Division) of the Federal Communications Commission released an order extending the time in which to file reply comments in response to the Commission's Fourth Notice of Proposed Rulemaking (In the Matter of

Rules and Policies Regarding Calling Number Identification-Caller ID, CC Docket No. 91-281 (60 FR 63491, Dec. 11, 1995). The Commission extended the filing date because the reply comments were due while the Commission was closed due to the government shutdown and the weather emergency. The Order extends the date to January 31, 1996.

DATES: Reply Comments must be filed on or before January 30, 1996.

ADDRESSES: Federal Communications Commission, 1919 M Street, N.W., Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT: Michael Specht, (202) 418-2378, or Elizabeth Nightingale, (202) 418-2352, both of the Common Carrier Bureau, Network Services Division.

SUPPLEMENTARY INFORMATION: Rules and Policies Regarding Calling Number Identification—Caller ID; Order

Adopted: January 16, 1996

Released: January 16, 1996

By the Deputy Chief, Network Services Division,
Common Carrier Bureau:

1. In a *Fourth Notice of Proposed Rulemaking* released December 1, 1995, the Commission sought comment on proposed modifications to its caller ID rules concerning blocking and unblocking capabilities. See *Order and Fourth Notice of Proposed Rulemaking, Rules and Policies Regarding Calling Number Identification Service—Caller ID*, CC Docket No. 91-281, FCC 95-480 (released December 1, 1995). Comments were due December 27, 1995, and reply comments were due January 10, 1996. Due to the government shutdown and the weather emergency, however, the Commission was closed on these dates.

2. In a public notice released January 11, 1996 (DA 96-2), the Commission announced that "any documents that were due to be filed with the Commission . . . while it was closed, *whether for the budget-related shutdown or the subsequent weather emergency*, will be due no later than 5:30 p.m. on Tuesday, January 16, 1996." (emphasis in original). The filing deadline for the comments, therefore, is subject to the January 16 date imposed by that notice.

3. The public notice released on January 11, however, did not address a situation in which both comments and replies were due while the Commission was closed. By this Order, the filing deadline for reply comments is extended to January 30, 1996.

4. Accordingly, it is ordered that the date for filing reply comments to the *Fourth Notice of Proposed Rulemaking* in this proceeding is extended to January 30, 1996.

5. This action is taken pursuant to authority found in Sections 4(i) and 5(c) of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i) and 155(c), and authority delegated thereunder pursuant to Sections 0.91, 0.204 (a)-(b) and 0.291 of the Commission's Rules, 47 C.F.R. 0.91, 0.204(a)-(b) and 0.291.

6. For further information concerning this proceeding, contact Michael Specht, (202) 418-2378, or Elizabeth Nightingale, (202) 418-2352, both of the Common Carrier Bureau, Network Services Division.

Federal Communications Commission.

John S. Morabito,

*Deputy Chief, Network Services Division,
Common Carrier Bureau.*

DEPARTMENT OF TRANSPORTATION

National Highway Traffic Safety Administration

49 CFR Part 533

[Docket No. 94-20; Notice 4]

RIN 2127-AF16

Light Truck Average Fuel Economy Standard, Model Year 1998

AGENCY: National Highway Traffic Safety Administration (NHTSA), DOT.

ACTION: Notice of proposed rulemaking; correction.

SUMMARY: On January 3, 1996, NHTSA published a notice of proposed rulemaking (61 FR 145) to establish a corporate average fuel economy standard for light trucks for model year 1998. The comment closing date was given as February 20, 1996, under the "Dates" heading on page 145 but as March 4, 1996, under the "Comments" section on page 155. The comment closing date on page 155 should be February 20, 1996.

Issued on January 18, 1996.

Barry Felrice,

*Associate Administrator for Safety
Performance Standards.*
