Jos. J. Pietrafesa Company, Carrollton, GA, and Jos J. Pietrafesa Company, New York, NY; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 25, 1995, applicable to all workers of Jos J. Pietrafesa Company located in Carrollton, Georgia. The notice was published in the Federal Register on September 19, 1995 (60 FR 48526).

At the request of the State Agency, the Department reviewed the certification

for workers of the subject firm. The workers are engaged in employment related to the production of ladies' and men's suits, jackets, pants, vest and skirts. New information shows that worker separations have occurred at the subject firm's New York City location. Based on this information, the Department is amending the certification to include worker separations at Jos J. Pietrafesa Company in New York City, New York.

The intent of the Department's certification is to include all workers of Jos J. Pietrafesa Company who were adversely affected by increased imports of apparel.

The amended notice applicable to TA-W-31, 233 is hereby issued as follows:

"All workers of Jos J. Pietrafesa Company, Carrollton, Georgia (TA-W-31,233), and New York City, New York (TA-W-31,233B) who became totally or partially separated from employment on or after July 7, 1994 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."
