

the Department, a record from this system of records may be disclosed as a routine use to contractors, grantees, participants in cooperative agreements, collaborating researchers, or their employees, in performance of health studies or related health or environmental duties pursuant to their contracts, grants, and cooperating or collaborating research agreements. In order to perform such studies, the Department, its contractors, grantees, participants in cooperative agreements, and collaborating researchers may disclose a record: To Federal, State, and local health and medical agencies or authorities; to subcontractors in order to determine a subject's vital status or cause of death; to health care providers to verify a diagnosis or cause of death; or to third parties to obtain current addresses for participants in health-related studies, surveys and surveillances. All recipients of such records are required to comply with the Privacy Act, to follow prescribed measures to protect personal privacy, and to disclose or use personally identifiable information only for the above described research purposes.

(3) A record from this system of records may be disclosed to members of Department advisory committees, the Department of Health and Human Services Advisory Committee on Projects Related to Department of Energy Facilities, and to designated employees of Federal, State, or local government, or government-sponsored entities, authorized to provide advice to the Department concerning health, safety, or environmental issues. All recipients of such records are required to comply with the Privacy Act, to follow prescribed measures to protect personal privacy, and to disclose or use personally identifiable information only for the purpose of providing advice to the Department or to the Department of Health and Human Services.

(4) A record from this system of records may be disclosed, as a routine use, to DOE contractors in performance of their contracts, and their officers and employees who have a need for the record in the performance of their duties subject to the same limitations applicable to DOE officers and employees under the Privacy Act.

(5) A record from this system of records may be disclosed to the Department of Justice when: (a) DOE or any component thereof; (b) any DOE employee, or employee of a DOE predecessor agency, in an official capacity; (c) the United States Government; (d) any current or former DOE contractor, or employee of such contractor, is a party to or has an

interest in litigation and DOE determines that the records are both relevant and necessary and the use of such records by the Department of Justice is deemed by DOE to be compatible with the purpose for which DOE collected the records.

(6) A record from this system of records may be disclosed to the Archivist of the United States, the National Archives and Records Administration or to the General Services Administration for records management conducted under 44 U.S.C. 2904 and 2906.

**POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:**

**STORAGE:**

Electromagnetic storage material, microfilm, paper records, and computer printouts.

**RETRIEVABILITY:**

By name, study/surveillance-assigned control number, or social security number. Some of these records may be entered into a database. Records in a database may be retrieved by name, or other personal identifier, as dictated by the needs of the particular researcher.

**SAFEGUARDS:**

During business hours, records at Department sites are maintained in secured buildings with access limited to those whose official duties require access; during nonbusiness hours, the records are in guarded, secured rooms. Paper records are maintained in labeled cabinets. Access to secured records is limited to individuals having a need-to-know as determined by the Department's Office of Epidemiology and Health Surveillances. Magnetic disk or tape records will be secured in a computer storage area. Printed or readable reports will be under the control of a custodian and stored and processed as sensitive unclassified material.

**RETENTION AND DISPOSAL:**

After data needed for a study or surveillances is collected and processed, the system manager will give written authorization for destruction of personal identifiers and source documents, unless the information is needed for further research or other purposes. Records retention and disposal authorities are contained in the General Records Schedule and DOE records schedules which have been approved by the National Archives and Records Administration. See DOE Order 1324.5B. Records within the DOE are destroyed by shredding, burning, or

burial in a sanitary landfill, as appropriate.

**SYSTEM MANAGER AND ADDRESS:**

U.S. Department of Energy, Director, Office of Epidemiologic Studies, EH-62, Germantown, Md. 20874-1290.

**NOTIFICATION PROCEDURES:**

a. Requests by an individual to determine if a system or records contains information about him/her should be directed to: Director, Freedom of Information and Privacy Act Division, U.S. Department of Energy, Washington, DC 20585, or the Freedom of Information and Privacy Officer at the operations offices listed above in accordance with DOE's Privacy Act regulations (10 CFR part 1008, 45 FR 61576, September 16, 1980).

b. Required identifying information: Individual's name; address; employer(s), and employment dates at the time of any exposure that was, or may have been, the focus of a study, survey, or surveillance; social security number; current name; address; and telephone number.

**RECORD ACCESS PROCEDURES:**

Same as notification procedures.

**CONTESTING RECORD PROCEDURES:**

Same as notification procedures.

**RECORD SOURCE CATEGORIES:**

Subject individual and subject individual's employer, including DOE and its predecessor agencies and their contractors and subcontractors.

**SYSTEMS EXEMPTED FROM CERTAIN PROVISIONS OF THE ACT:**

None.

**Chandeleur Pipe Line Company;  
Notice of Compliance Filing**

January 24, 1996.

Take notice that on January 17, 1996, Chandeleur Pipe Line Company (Chandeleur) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following sheets, to become effective January 1, 1996: Third Revised Sheet No. 5, First Revised Sheet No. 8, First Revised Sheet No. 14 and Original Sheet No. 64A, implementing a provision for Fuel and Line Loss Allowance fixed retention percentage.

Chandeleur states that the purpose of this filing is to comply with the

Commission's order issued December 29, 1995, in TM96-2-97-000, which directed Chandeaur to file, within 15 days of such order, to revise its tariff to identify the affected rate schedules and specify the step-by-step arithmetic averaging formula it uses to compute the fixed retention percentage. The Commission also directed Chandeaur to indicate the beginning and ending months of the 12-month base period used in the percentage formula, how underrecoveries or overrecoveries will be factored into its annual reconciliation, and to include in the step-by-step explanation of its methodology the allocation and classification of the fuel use and line loss gas it uses. Specifically, Chandeaur has revised Section 5 of Rate Schedules FT and IT and added Section 21 to the General Terms and Conditions to clarify Chandeaur's intentions, and has included the methodology and timing of any fuel reimbursement percentage adjustments and which rate schedules will be subject to such adjustments.

Chandeaur states that it is serving copies of the filing to its customers, State Commissions and interested parties.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 18 CFR 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**CNG Transmission Corporation; Notice of Proposed Changes in FERC Gas Tariff**

January 22, 1996.

Take notice that on January 17, 1996, CNG Transmission Corporation (CNG), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, and its FERC Gas Tariff, Original Volume No. 2A, various tariff sheets. CNG requested an effective date on July

1, 1994, for certain of these sheets, and a January 1, 1996 effective date for the remainder. CNG states that it has also submitted intervening sheets with various effective dates, as indicated in Attachment A to the transmittal letter of CNG's filing.

CNG states that the purpose of its filing is to submit the remainder of the tariff sheets from appendices to the June 28. Stipulation, and intervening sheets that were filed by CNG in various dockets and approved by the Commission, subsequent to the captioned proceedings. CNG further states that it has made one formatting improvement to the rate tariff sheets enclosed: to more clearly state the rates for CNG services on Sheet Nos. 31 through 37 of its tariff, CNG has revised the designation of rates so that each rate will be expressed as dollars per Dt, rather than a combination of rate components expressed in terms of dollars per Dt and cents per Dt.

CNG states that copies of this letter of transmittal and enclosures are being mailed to parties to the captioned proceeding, and to CNG's customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, Washington, DC, 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. **Colorado Interstate Gas Company; Notice of Compliance Filing**

January 24, 1996.

Take notice that on January 16, 1996, Colorado Interstate Gas Company (CIG), tendered for filing workpapers further supporting its stranded Account No. 858 surcharge filing made with the Federal Energy Regulatory Commission (FERC) on December 1, 1995. The filing was made pursuant to the Commission's letter order dated December 28, 1995 in Docket No. RP96-74-000 which

directed CIG to provide additional workpapers which shows information supporting the derivation of instant surcharge adjustment.

CIG states that copies of the filing were served upon the company's intervening jurisdictional customers and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. **Columbia Gas Transmission Corporation; Notice of Proposed Changes in FERC Gas Tariff**

January 24, 1996.

Take notice that on January 17, 1996, Columbia Gas Transmission Corporation (Columbia) tendered for filing to become part of its FERC Gas Tariff, Second Revised Volume No. 1, the following substitute tariff sheet, to be effective February 1, 1996:

2nd Substitute Eleventh Revised Sheet No. 25

On December 29, 1995, Columbia submitted a filing in compliance with the Commission's "Suspension Order" issued on August 31, 1995 in Docket RP95-408, proposing tariff sheets to become effective February 1, 1996. Due to a clerical error the incremental surcharge associated with the total rate charge to Equitable Gas Company was misstated on Substitute Eleventh Revised Sheet No. 25. Footnote 5 on this sheet indicates that the incremental surcharge applicable to the assignees under the seller's former Rate Schedule X-70 is \$1.525/Dth for the Reservation Charge and 8.70c/Dth for the commodity rate. The correct incremental surcharge is \$.857/Dth for the Reservation Charge and 7.11c for the commodity rate. No other rates or tariffs sheets are affected since the error was limited to Footnote 5 which occurred
