BILLING CODE 4310-49-P

National Park Service

60 Day Notice of Intention to Request Clearance of Information Collection; Opportunity for Public Comment

AGENCY: Guadalupe Mountains National Park, National Park Service (NPS).

ACTION: Notice and request for comments.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 and 5 CFR 1320, Reporting and Record Keeping Requirements, the NPS invites public comment on a proposed information collection request (ICR).

Comments are invited on: (1) The need for the information including whether the information has practical utility; (2) the accuracy of the reporting burden estimate; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology.

The primary purpose of the proposed ICR is to compare and contrast any significant differences between park users from three apparently different visitor use seasons of spring, summer, and fall. This proposed collection of information will be accomplished using a mail-back questionnaire focusing on information that is not readily available from registers at visitor centers, trailheads, or camping permits. The range of issues in the questionnaire will assess (1) visitor information sources inside and outside the park, (2) visitor travel flow within the park, (3) visitor evaluation of existing and desired facilities, programs or activities, and (4) visitor perceptions of crowding or solitude in wilderness and developed areas. This data is needed to plan for future management actions that would protect park resources and provide visitor services.

DATES: Written comments will be accepted until April 5, 1996.

SEND COMMENTS TO: Superintendent, Guadalupe Mountains National Park, HC 60 Box 400, Salt Flat, TX 79847-9801.

FOR FURTHER INFORMATION CONTACT: Fred Armstrong, Resource Management Specialist, at (915) 828-3251 extension 132.

All responses to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will become a matter of public record.

SUPPLEMENTARY INFORMATION:

Title: Visitor Use Survey—Guadalupe Mountains National Park.

Form: Not applicable.

OMB Number: To be assigned.

Expiration Date: To be assigned.

Type of Request: Request for new clearance.

Description of Need: To evaluate significant differences in visitor activities and visitor perceptions during three apparently different visitor use seasons of spring, summer and fall. The proposed information to be collected is not available from existing records, sources, or observations.

Description of Respondents:

Individuals or groups of park visitors.

Estimated Annual Reporting Burden: 800 hours.

Estimated Average Burden Hours Per Response: 12 minutes.

Estimated Average Number of Respondents: 4,000.

Estimated Frequency of Response: For a 7-day period each during the visitor use seasons of spring, summer, and fall, for a total of 21 days of survey.

Terry N. Tesar,

Information Collection Clearance Officer, Management Services Division, National Park Service.

DEPARTMENT OF JUSTICE

Antitrust Division

U.S. v. First Hawaiian, Inc. and First Interstate of Hawaii, Inc.; Proposed Modification of the Final Judgment, Notice

Please take notice that First Hawaiian, Inc. ("First Hawaiian"), defendant in the above-captioned action, has filed a motion for an order modifying the Final Judgment entered on May 29, 1991 in this antitrust action. Plaintiff, the United States of America, has tentatively consented to the entry of such an order, but it has reserved the right to withdraw its consent within 30 days after the last day of publication of this Notice.

The Complaint in this case was filed on December 28, 1990, and alleged that the acquisition of Defendant First Interstate of Hawaii, Inc. ("First Interstate") by Defendant First Hawaiian would violate Section 7 of the Clayton Act (15 U.S.C. § 18) by substantially lessening competition in business banking services in several geographic markets in the State of Hawaii. After the Complaint was filed, the parties agreed to a stipulated Final Judgment that allowed the acquisition to proceed provided that First Hawaiian, *inter alia*, divested seven branches. The Final Judgment was entered by the Court on May 29, 1991, after an appropriate public notice and comment period under the Tunney Act (15 U.S.C. § 16(b) *et seq.*)

To date, First Hawaiian has divested four branches, but has yet to divest three more: The Kuapa Kai branch located at
