AGENCY: Veterans Benefits Administration, Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: As part of its continuing effort to reduce paperwork and respondent burden, Veterans Benefits Administration (VBA) invites the general public and other Federal agencies to comment on this information collection. This request for comment is being made pursuant to the Paperwork Reduction Act of 1995 (Public Law 104-13; 44 U.S.C. 3506(c)(2)(A)). Comments should address the accuracy of the burden

estimates and ways to minimize the burden including the use of automated collection techniques or the use of other forms of information technology, as well as other relevant aspects of the information collection.

DATES: Written comments and recommendations on the proposal for the collection of information should be received on or before May 6, 1996.

ADDRESSES: Direct all written comments to Nancy J. Kessinger, Veterans Benefits Administration (20M30), Department of Veterans Affairs, 810 Vermont Avenue, NW, Washington, DC 20420. All comments will become a matter of public record and will be summarized in the VBA request for Office of Management and Budget (OMB) approval. In this document VBA is soliciting comments concerning the following information collection:

OMB Control Number: 2900-0118.

Title and Form Number: Veterans Benefits, Veterans Education, Education or Training, VA Form Letter 22-315.

Type of Review: Extension of a currently approved collection.

Need and Uses: The information is used to determine whether a claimant is eligible for payment for training at an institution other than the institution which will grant a degree or certificate upon completion of training. Without the information, benefits cannot be authorized for any courses pursued at other than the primary institution.

Current Actions: VA Form Letter 22-315 is sent to the student by a VA claims examiner. The letter directs the student to have the certifying official of his or her primary institution complete the bottom portion of the form. The certifying official uses the letter to list the course or courses pursued at the second institution for which the primary institution will give full credit. The completed letter is then returned to the VA regional office. A VA claims examiner determines whether education benefits can be authorized for these courses. VA uses the information from the current collection to ensure that claimants are pursuing their approved program while enrolled at a different school. Without this information, VA might underpay or overpay benefits.

Affected Public: Not-for-profit institutions, State, Local or Tribal Government.

Estimated Annual Burden: 207 hours.

Estimated Average Burden Per Respondent: 7½ minutes per application.

Frequency of Response: On occasion.

Estimated Number of Respondents: 1,244.
