Currently subsidiaries file the FR 2314a quarterly if they have total assets of at least \$2 billion or commitments to purchase foreign currencies and U.S. dollar exchange of at least \$5 billion. The instruction will be revised to include subsidiaries that have at least \$5 billion in off-balance-sheet activity measured by the sum of commitments to purchase foreign currencies and U.S. dollar exchange, all other futures and forwards contracts, written option contracts, purchased option contracts, notional value of interest rate swaps, notional value of exchange swaps, and the notional value of other swaps. In addition the reporting criteria for filing the FR 2314a on an annual basis will be raised to include respondents with total assets greater than \$250 million, up from \$100 million. Subsidiaries with total assets of \$50 million or more but not more than \$250 million will file the FR 2314b.

(2) Additions to allow for compliance with Financial Accounting Board (FASB) Statement No. 115. Subsidiaries will report a new schedule for securities that will provide information on available-for-sale securities and held-to-maturity securities, and new items to collect information on the net unrealized holding gains (losses) on available-for-sale securities and information on the change in net unrealized holding gains (losses) in available-for-sale securities.
