Based on consideration of the comments received and the nature and scope of this policy, the Forest Service has determined that this policy falls within this category of actions and that no extraordinary circumstances exist which would require preparation of an environmental assessment or environmental impact statement.

Controlling Paperwork Burdens on the Public

This policy does not contain any recordkeeping or reporting requirements or other information collection requirements as defined in 5 CFR 1320 and, therefore, imposes no paperwork burden on the public. Accordingly, the review provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.) and implementing regulations at 5 CFR 1320 do not apply.

Unfunded Mandates Reform

Pursuant to Title II of the Unfunded Mandates Reform Act of 1995, which the President signed into law on March 22, 1995, the Department has assessed the effects of this rule on State, local, and tribal governments and the private sector. The noxious weed management policy directs only the work of Forest Service employees and does not compel the expenditure of \$100 million or more by any State, local, or tribal governments or anyone in the private sector. Therefore, a statement under section 202 of the act is not required.

[A-570-601]

Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China; Intent To Revoke the Order (In Part)

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Intent to Revoke the Order (In Part).

SUMMARY: On September 26, 1995, the Department of Commerce (the Department) published the preliminary results of its administrative review of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished (TRBs), from the People's Republic of China (PRC) (60 FR 49572). The period of review (POR) is June 1, 1993, through May 31, 1994. Based on three years of sales at not less than foreign market value, we intend to revoke the order with respect to one company if the preliminary results of this and the two preceding reviews are affirmed in our final results.

EFFECTIVE DATE: March 13, 1996.

FOR FURTHER INFORMATION CONTACT: Charles Riggle, Hermes Pinilla, Andrea Chu, Kris Campbell or Michael Rill, Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone (202) 482-4733.

Applicable Statute and Regulations

The Department is conducting this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act). Unless otherwise indicated, all citations to the statute and to the Department's regulations are references to the provisions as they existed on December 31, 1994.

SUPPLEMENTARY INFORMATION:**Background**

On September 26, 1995, the Department published the preliminary results of its administrative review of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished (TRBs), from the People's Republic of China (PRC) (60 FR 49572). The POR is June 1, 1993 through May 31, 1994.

For a detailed description of the products covered by this review, please see the notice of preliminary results referenced above.

Intent To Revoke

Shanghai General Bearing Company (Shanghai) requested, pursuant to 19 CFR 353.25(b), revocation of the order with respect to its sales of the merchandise in question and submitted the certification required by 19 CFR 353.25(b)(1). In addition, in accordance with 19 CFR 353.25(a)(2)(iii), Shanghai has agreed in writing to its immediate reinstatement in the order, as long as any producer or reseller is subject to the order, if the Department concludes under 19 CFR 353.22(f) that Shanghai, subsequent to revocation, sold merchandise at less than FMV. Based on the preliminary results in this review and the two preceding reviews (see *Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China; Preliminary Results of Antidumping Administrative Reviews*, 60 FR 44302 (August 25, 1995)), Shanghai has demonstrated three consecutive years of sales at not less than foreign market value (FMV).

If the final results of this and the two preceding reviews demonstrate that Shanghai sold the merchandise at not less than FMV, and if the Department determines that it is not likely that Shanghai will sell the subject merchandise at less than FMV in the future, we intend to revoke the order with respect to merchandise produced and exported by Shanghai.

Interested parties may submit written comments (case briefs) within 15 days of the date of publication of this notice. Rebuttal comments (rebuttal briefs), which must be limited to issues raised in the case briefs, may be filed no later than 19 days after the date of publication.

The Department will instruct the Customs Service to collect cash deposits of estimated antidumping duties on all appropriate entries in accordance with the procedures discussed in the notice of preliminary results. Those deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act, and will remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant

entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: March 4, 1996.

Susan G. Esserman,

Assistant Secretary for Import Administration.
