DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP96-219-000]

Equitrans, L.P.; Notice of Request Under Blanket Authorization

March 7, 1996.

Take notice that on February 29, 1996, Equitrans, L.P. (Equitrans), 350 Park Lane, Pittsburgh, Pennsylvania 15275, filed in Docket CP96-219-000 a request pursuant to Sections 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212) for authorization to install one delivery tap under Equitrans's blanket certificate issued in Docket No. CP83-508-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Equitrans proposes to install one delivery tap in the town of Elrama, Pennsylvania to provide transportation service to Equitable Gas Company. Equitrans projects the quantity of gas to be delivered through the delivery tap will be approximately 6,000 Dth on a peak day.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to

be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Lois D. Cashell,

Secretary.

BILLING CODE 6717-01-M

[Docket No. CP96-225-000]

Koch Gateway Pipeline Company; Notice of Application

March 7, 1996.

Take notice that on March 4, 1996, Koch Gateway Pipeline Company (Koch), 600 Travis Street, Houston, Texas 77251-1478, filed in Docket No. CP96-225-000 an abbreviated application pursuant to Section 7(b) of the Natural Gas Act, as amended, and Sections 157.7 and 157.18 of the Federal Energy Regulatory Commission's (Commission) regulations thereunder, for permission to abandon certain inactive sections of its Pensacola Lateral (Index 301-8), located in Baldwin County, Alabama, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Koch proposes to abandon by removal approximately 1,490 feet of 12-inch pipeline and abandon in place approximately 650 feet of 12-inch pipeline including all valves and appurtenances, located in Baldwin County, Alabama. Koch states that these segments of pipeline are part of facilities that were originally constructed to provide service to the Pensacola market area and that these two segments of pipeline are currently inactive. It is indicated that Index 301-8 was certificated in FPC Docket No. G-232, pursuant to Koch's grandfather certificate. It is further indicated that Koch abandoned a segment of its Index 301-8 due to its condition in Docket No. CP89-274-000. Koch further states that it currently provides a majority of its service to the Pensacola market area through two parallel transmission lines and that these newer and larger lines have adequate capacity to handle Koch's current commitments in this vicinity.

Koch states that the abandonment proposed herein will not affect service to any existing Koch customer, will not result in the reduction in the volumes of gas serving the Pensacola area, will eliminate the hazards and risks that are associated with operating deteriorated

pipe, and will reduce operating and maintenance expenses.

Any person desiring to be heard or to make protest with reference to said application should on or before March 28, 1996 file with the Federal Energy Regulatory Commission, Washington, D.C., 20426, a petition to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party to the proceeding or to participate as a party in any hearing therein must file a petition to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission on this application if no petition to intervene is filed within the time required herein, and if the Commission on its own review of the matter finds that the abandonment is required by the public convenience and necessity. If a petition for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Koch to appear or be represented at the hearing.

Lois D. Cashell,

Secretary.

BILLING CODE 6717-01-M

[Docket No. RP96-162-000]

Questar Pipeline Company; Notice of Section 4 Filing

March 7, 1996.

Take notice that on March 1, 1996, Questar Pipeline Company (Questar) tendered for filing pursuant to Section 4 of the Natural Gas Act, a notice of termination of gathering service on specified gathering and transmission facilities in Colorado, Wyoming and Utah. Questar requests that the termination of service be effective March 1, 1996.

Questar received authorization in Docket Nos. CP95-650-001, CP95-650-002 and CP95-658-000, 74 FERC ¶61,216, (1996) to abandon, by transfer, the specified gathering and transmission facilities to Questar Gas Management Company (QGM), a wholly owned, regulated subsidiary of Questar.¹ Questar states that it has notified all of its gathering customers of the transfer of all gathering contracts to QGM.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulation Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.211 and 385.214 of the Commission's Rules and Regulations. Pursuant to Section 154.210 of the Commission's Regulations, all such motions or protests must be filed no later March 13, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Lois D. Cashell,
Secretary.

BILLING CODE 6717-01-M

[Docket No. CP96-217-000]

City of Tallahassee, et al., Complaints, vs. Florida Gas Transmission Company, Respondent; Notice of Complaint

March 7, 1996.

Take notice that on February 28, 1996, City of Tallahassee, City of Lakeland, Orlando Utilities Commission, Jacksonville Electric Authority, and Florida Gas Utilities (jointly Complainants), c/o John Hengerer & Esposito, 1200 17th Street, N.W., Washington, D.C. 20036, filed in Docket No. CP96-217-000 a complaint pursuant to Rule 206 of the Commission's Rules of Practice and Procedure, against Florida Gas Transmission Company (FGT) alleging violations of FGT's tariff provisions and Commission rules regarding affiliate preference in provision of jurisdictional service in connection with construction

¹ The acquisition, ownership and operation of these facilities by QGM are nonjurisdictional activities exempt from the Commission's jurisdiction under section 1(b) of the Natural Gas Act.

of a proposed delivery point in Leon County, Florida, all as more fully detailed in the complaint which is on file with the Commission and open to public inspection.

It is stated that the complainants are all firm transportation customers of FGT and members of the Florida Cities Fuel Committee, an *ad hoc* group of municipalities which customarily participate in FGT rate and certificate proceedings. It is explained that FGT's interconnecting delivery point, for which FGT requested prior notice authorization in Docket No. CP96-139-000, would serve West Florida Natural Gas (WFNG), a local distribution company, which in turn would make deliveries to the Department of Correction's (DOC) Wakulla Correctional Institution in Wakulla County, Florida.

Complainants allege that because FGT would not be fully reimbursed by WFNG for the construction costs, FGT would be subsidizing construction of the facility, and complainants allege that such a subsidy is in violation of FGT's tariff.

Complainants further allege that the proposal would involve preferential treatment for Citrus Trading, FGT's marketing affiliate, which would provide gas supplies for the deliveries to the DOC, and it is alleged that this violates the Commission's rules prohibiting affiliate preference. It is alleged that FGT has adopted a new policy on customer ownership of gate station facilities, which would permit WFNG to own the meter station which is among the proposed facilities, and it is alleged that such ownership is in violation of FGT's tariff provisions. Complainants allege that the proposed change in ownership policy is not in the public interest and should be evaluated before it is implemented.

It is stated that the City of Tallahassee, one of the complainants, has simultaneously filed a protest in Docket No. CP96-139-000, FGT's prior notice filing. It is asserted that the City of Tallahassee had made a bid to serve the DOC's Wakulla facility.

Any person desiring to be heard or to make any protest with reference to said application should on or before April 8, 1996, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the

proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Lois D. Cashell,

Secretary.
