**SUMMARY:** The Federal Aviation Administration (FAA) is extending from January 22, 1996 to March 29, 1996 the deadline for airport sponsors to apply for designation, or continued participation, in the Military Airport Program. The FAA is similarly extending from January 15, 1996 to May 31, 1996, the date by which a sponsor of a former or current military airport must be able to document the requisite property interest to qualify to receive grants of Federal financial assistance under the Airport Improvement Program.

**DATES:** Airport sponsors should address written applications for designation, or continued participation, in the fiscal year 1996 Military Airport Program to the Federal Aviation Administration (FAA) Regional Airports Division or Airports District Office that serves the airport. Applications must be received by that office of the FAA by March 29, 1996.

**ADDRESSES:** Send an original and two copies of Standard Form 424, "Application for Federal Assistance," and supporting and justifying documentation, specifically requesting to be considered for designation to participate, or continue, in the fiscal year 1996 Military Airport Program, to the Regional FAA Airports Division or Airports District Office that serves the airport.

**FOR FURTHER INFORMATION CONTACT:** Mr. James V. Mottley or Leonard C. Sandelli, Military Airport Program Office (APP-4), Office of Airport Planning and Programming, Federal Aviation Administration (FAA), 800 Independence Avenue, SW., Washington, DC 20591, (202) 267-8780, or (202) 267-8785, respectively.

This notice announces extension of the date for submissions of applications and of the date by which

the airport sponsor must possess title, a long-term lease, or joint use agreement for the property on which the civilian airport is located.

**Application Procedures**

The Dates section of 60 FR 54560, October 24, 1995, is revised to provide that applications must be submitted to the airports district office or the airports division that serves the airport applying for the program by March 29, 1996.

**Information To Be Contained in Application, New Airports**

Section (4) of the qualifications for new airports (60 FR 54561, October 24, 1995) is modified as follows: In the case of a former military airport, documentation that the local or State airport sponsor holds satisfactory title, or a long term lease for 20 years or more, to the property on which the civilian airport is being located. In the case of a current military airport, documentation that the airport sponsor has an existing joint-use agreement with the military department having jurisdiction over the airport. (The title transfer, lease, or joint use agreement must be effective on or before May 31, 1996. This is necessary so the airport sponsor qualifies as an eligible sponsor to receive grants of Federal financial assistance under the Airport Improvement Program.)
