

States provides FEMA preliminary information on the IFG program for staffing and management purposes. This report is completed once for each disaster, and establishes a DARIS report for each new IFG program.

(2) FEMA Form 76-28, DARIS Entry Document, Status Report. This report is completed by State IFG staff and provided to the FEMA Regional Director. It serves as the framework for reviewing, analyzing, and monitoring the progress of the program. The report tracks the number of dollar amount of applications approved by the State, the number and dollar amounts of grants disbursed, and the number of grant appeals. The data carried on this report is used to make determinations on the need for additional allocation and obligation of funds for program activity.

(3) FEMA Form 76-29, DARIS Entry Document, Final Statistical Report. This report captures the funding history by category of each IFG program. The information reveals the total IFG Program cost, and is used to prepare reports to OMB and the Congress. The report is also used as a management tool to check on the State's record of accuracy in estimating IFG Program costs and in requesting advances. States are responsible for completing the form, and the FEMA Regional Offices are responsible for entering the information into DARIS.

(4) FEMA Form 76-30, Environmental Review, IFG Program. The National Environmental Policy Act (NEPA) requires an environmental review process before certain IFG assistance in the housing category can be approved. When the review is conducted, the State is required to use the form to record the necessary information.

(5) FEMA Form 76-32, Worksheet for Case File Reviews. FEMA requires States to keep IFG program information and, on occasion, requests the States to provide such information, as needed.

(6) FEMA Form 76-34, Checklist for IFG Program Review. The checklist is used during the interview stage of the IFG Mid-Program Review of the State's administration of the program. It covers all items that must be monitored by FEMA to ensure effective management of the IFG program.

(7) FEMA Form 76-35, Worksheet for Preparing and Reviewing State Administrative Plans. The worksheet is used to develop or update State Administrative Plans that must be approved by FEMA. The plans are used by State IFG personnel to administratively manage the IFG Program.

(8) FEMA Form 76-38, Floodplain Management Analysis. Executive Orders

11988, Floodplain Management Analysis, and 11990, Protection of Wetlands, place a responsibility on FEMA and States to perform reviews before certain IFG assistance in the housing category can be approved. The review involves an eight-step decision-making process if the action could affect a floodplain or wetland.

Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed new, revised, or continuing information collections. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), this notice seeks comments concerning the proposed extension to an existing information collection previously approved and assigned OMB Control Number 3067-0195. The current approval expires April 30, 1996. There are two information collections associated with this clearance package. There are no changes in burden estimates for either of the information collections.

Title 1: Community Rating System (CRS) Program—Application Worksheets and Commentary.

Forms: Application Worksheets; and Commentary.

Title 2: NFIP Repetitive Loss Correction Worksheet.

FEMA Form: 81-83

Type of Review: Extension of a currently approved information collection.

Abstract: The Community Rating System (CRS) was designed by the Federal Insurance Administration to encourage, through the use of flood insurance premium discounts, communities and States to undertake activities that will mitigate flooding and flood damage beyond the minimum standards for National Flood Insurance Program participation. Communities use the NFIP/CRS Coordinator's Manual which includes the schedule, commentary and application worksheets. The application worksheets, requisite documentation, and certification are submitted to the appropriate FEMA Regional Office. The NFIP Repetitive Loss Correction Worksheet is used to correct/update property location/address, dates of loss, total number of losses per property, community name community number, and reason for change.

Affected Public: State, local or tribal government.

Number of Respondents: 255.

Estimated Time per Respondent: 33 hours.

Estimated Total Annual Burden and Recordkeeping Hours: 8,425.

Frequency of Response: Other—once per respondent with annual updates regarding participation.

COMMENTS: Written comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. Title: Notice of Interest/Private Non-Profit Checklist.

Type of Review: Extension of a currently approved information collection.

Form Numbers: FEMA Form 90-49.

Abstract: Section 406 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act authorizes the President to make contributions to State and local governments and private non-profit organizations (PNP's) for repair, restoration, reconstruction, or replacement of a public or private non-profit facility damaged or destroyed by a major disaster and for associated expenses incurred by the applicant. FEMA regulation 44 CFR section 202.202(c) requires applicants applying for Federal disaster assistance to submit a completed Notice of Interest in Applying for Federal Disaster Assistance, FEMA Form 90-49. Applicants use the form to list damages to property and facilities so that inspections may be appropriately assigned for formal surveys. The form is signed by the applicant and submitted to the Governor's Authorized Representative. The Private Non-Profit Checklist documents the applicant's private non-profit eligibility status and facilitates the processing of the applicant's application for assistance.

Affected Public: State, local or tribal governments.

Burden Estimates Per Response:

FEMA Form 90-49	No. of Respondents	Hours Per response
Notice of Interest	3,000	30 minutes.
Private Non-Profit Checklist.	1,000	15 minutes.

Estimated Total Annual Burden Hours: 1,750.

COMMENTS: Written comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other
