AGENCY: Appalachian Regional Commission.

ACTION: Final rule; correction.

SUMMARY: The Appalachian Regional Commission is correcting one erroneous citation in its employee responsibilities and conduct regulation published on December 7, 1995.

EFFECTIVE DATE: This final rule is effective March 26, 1996.

FOR FURTHER INFORMATION CONTACT: Guy Paul Land, Counsel to the Federal Co-Chairman, Appalachian Regional Commission, 1666 Connecticut Avenue NW., Washington, D.C. 20235, 202-884-7660.

SUPPLEMENTARY INFORMATION: The Appalachian Regional Commission is correcting one erroneous citation to the Office of Government Ethics (OGE) executive branchwide standards of ethical conduct regulation which appeared in the ARC's revision to 5 CFR Part 1900, published in the Federal Register of Thursday, December 7, 1995, on page 62702. The OGE executive branchwide standards of ethical conduct regulation was erroneously cited as codified at CFR Part 3635. This final rule corrects that citation to read 5 CFR Part 2635.

Administrative Procedure Act

Pursuant to 5 U.S.C 553(b), the Appalachian Regional Commission finds good cause exists for waiving the general notice of proposed rulemaking as to this final rule. The notice is being waived because this rulemaking relating

to ARC Federal employees concerns matters of agency organization, practice and procedure. Further, it is in the public interest that the citation be corrected as soon as possible.

Executive Order 12866

In promulgating this final regulation, the Appalachian Regional Commission has adhered to the regulatory philosophy and the applicable principles of regulation set forth in section 1 of Executive Order 12866, Regulatory Planning and Review. This final rule has not been reviewed by the Office of Management and Budget under that Executive order, since it deals with agency organization, management, and personnel matters and is not in any event deemed "significant" thereunder.

Regulatory Flexibility Act

The Appalachian Regional Commission has determined under the Regulatory Flexibility Act (5 U.S.C. chapter 6) that this regulation will not have a significant impact on small business entities because it affects only ARC Federal employees.

Paperwork Reduction Act

The Appalachian Regional Commission has determined that the Paperwork Reduction Act (44 U.S.C. chapter 35) does not apply because this regulation does not contain any information collection requirements that require the approval of the Office of Management and Budget.
