

or licensing organization may then make a request supported by the written consent of the individual for the entire record if it so chooses. No disclosure will be made unless the information has been determined to be sufficiently reliable to support a referral to another office within the NLRB or to another Federal agency for criminal, civil, administrative, personnel, or regulatory action.

6. A court, magistrate, administrative tribunal, or other adjudicatory body in the course of presenting evidence or argument, including disclosure to opposing counsel or witnesses in the course of civil discovery, litigation, or settlement negotiations, or in connection with criminal law proceedings, when: (a) The NLRB or any component thereof, or (b) any employee of the NLRB in his or her official capacity; or (c) any employee of the NLRB in his individual capacity where the NLRB has agreed to represent the employee; or (d) the United States Government, is a party to litigation or has interest in such litigation, and determines that such disclosure is relevant and necessary to the litigation and that the use of such records is therefore deemed by the NLRB to be for a purpose that is compatible with the purpose for which the records were collected.

NATIONAL SCIENCE FOUNDATION

Committee Management; Notice of Establishment

The Director of the National Science Foundation has determined that the establishment of the Advisory Committee for the NSF Science and Technology Centers (STC) Program is necessary and in the public interest in connection with the performance of duties imposed upon the Director, National Science Foundation (NSF), by 42 USC 1861 *et seq.* This determination follows consultation with the Office of Management and Budget and with the Committee Management Secretariat, General Services Administration.

Name of Committee: Advisory Committee for the NSF Science and Technology Centers (STC) Program.

Purpose and Objective: The objective of the Advisory Committee is to advise the NSF on the future of its Science and Technology Center Program. Its charge is to: (1) Consider the value of the STC Program in the context of the NSF strategic plan; (2) obtain input from other agencies that are supporting STCs; (3) consider recommendations of other NSF Advisory Committees; (4) the National Academy of Public Administration Management report; and (5) consider the Government Performance and Results Act (GPRA) report and the National Academy of Science (NAS) Review in order to provide recommendations on the future of the STC Program.

Balanced Membership Plans: To attain a balanced point of view, 15 persons will be selected with representation from academia, industry, and Federal and state governments. Membership will be diverse, including women and representation from underrepresented groups in science.

Duration: About 3 months.

Responsible NSF Officials: Dr. Sonja Sperlich, Associate Director, Science & Technology Centers, National Science Foundation, 4201 Wilson Blvd., Arlington, VA 22230, telephone 202/306-1040.

Dated: March 25, 1996.

M. Rebecca Winkler,

Committee Management Officer.
