Title: Customer Satisfaction Survey for Librarians.

Description: The Bank, Post Office, and Library (BPOL) Program is one area that must continue to provide quality service to taxpayers while cutting operating costs. This program uses banks, post offices and libraries as distribution sites for tax forms and related materials. Since BPOL locations provide materials for so many people, thoughtful consideration should be used to identify which areas of the program will be impacted by these budget cuts. Any decisions made should take into account our customers' (the taxpayers') needs and opinions as to which areas of the program are most important and provide the best service. IRS feels that this information can be obtained by surveying librarians.
