PENSION BENEFIT GUARANTY CORPORATION

Customer Satisfaction Surveys and Focus Groups

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of submission for OMB review; comment request.

SUMMARY: The Pension Benefit Guaranty Corporation has requested that the Office of Management and Budget approve a series of new collections of information under the Paperwork Reduction Act. The purpose of the information collections, which will be conducted through focus groups and surveys over a three-year period, is to help the PBGC assess the efficiency and effectiveness with which it serves its customers and to design actions to address identified problems.

DATES: All comments must be submitted to OMB by April 29, 1996.

ADDRESSES: All written comments should be addressed to: Office of Information and Regulatory Affairs of OMB, Attention: Desk Officer for the Pension Benefit Guaranty Corporation, 725 17th Street NW., Room 10235, Washington, DC 20503. The request for approval will be available for public inspection at the PBGC Communications and Public Affairs Department, suite 240, 1200 K Street NW., Washington, DC 20005, between the hours of 9 a.m. and 4 p.m.

FOR FURTHER INFORMATION CONTACT: Marc L. Jordan, Attorney, Office of the General Counsel, Suite 340, 1200 K Street NW., Washington, DC 20005, 202-326-4026 (202-326-4179 for TTY and TDD). (These are not toll-free numbers.)

SUPPLEMENTARY INFORMATION: The Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) establishes policies and procedures for controlling the paperwork burdens imposed by Federal agencies on the public. The Act vests

the Office of Management and Budget (OMB) with regulatory responsibility over these burdens, and OMB has promulgated rules on the clearance of collections of information by Federal agencies.

Executive Order 12862, Setting Customer Service Standards, states that, in order to carry out the principles of the National Performance Review, the Federal Government must be customer-driven. It directs all executive departments and agencies that provide significant services directly to the public to provide those services in a manner that seeks to meet the customer service standards established in the Executive Order.

The PBGC intends to establish a mechanism through which it will be able to explore issues of mutual concern (e.g., kind and quality of desired services) with its major outside client groups, i.e., participants and beneficiaries, plan sponsors and their affiliates, plan administrators, pension practitioners and others involved in the establishment, operation and termination of plans covered by the PBGC's insurance program.

The areas of concern to the PBGC and its client groups will change over time, and it is important that the PBGC have the ability to evaluate customer concerns quickly. Accordingly, the PBGC is requesting that OMB grant "generic" approval, for a three-year period, of focus groups and surveys of the PBGC's outside client groups. Participation in the focus groups and surveys will be voluntary. The PBGC will consult with OMB regarding each specific information collection during the approval period.

On December 29, 1995, the PBGC published in the Federal Register a notice of intention to request OMB approval of these collections. No comments were received in response to the notice.

This voluntary collection of information will put a slight burden on a very small percentage of the public. The PBGC expects to conduct focus groups involving a total of approximately 225 persons each year, with a total annual burden of approximately 675 hours, including travel time. (Some portion of this time may be spent completing surveys at focus group meetings.) In addition, the PBGC expects to distribute written surveys to approximately 1,600 persons each year (in most cases as an adjunct to a focus group), with a total annual burden of approximately 200 hours.
