**SUPPLEMENTARY INFORMATION:** Section 9 of the Act prohibits the "taking" of endangered species such as the golden-cheeked warbler. However, the Service, under limited circumstances, may issue permits to take endangered wildlife species incidental to, and not the purpose of, otherwise lawful activities. Regulations governing permits for endangered species are at 50 CFR 17.22.

#### Applicant

Park 22 Joint Venture plans to construct a commercial development in Travis County, Texas. This action will eliminate less than 12 acres of golden-cheeked warbler habitat and indirectly impacts less than 22 additional acres of habitat. The applicant proposes to compensate for this incidental take of golden-cheeked warbler habitat by purchasing approximately 45 acres of golden-cheeked warbler habitat located within the same watershed or adjacent habitat in Travis County, through an accepted conservation entity and providing for the maintenance of the acquired habitat.

Alternatives to this action were rejected because selling or not developing the subject property with Federally-listed species present was not economically feasible.

Regional Director, Region 2, Albuquerque,
