

SUPPLEMENTARY INFORMATION: On January 19, 26 and February 9, 1996, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (61 FR 1362, 2494 and 4962) of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the military resale commodities and services and impact of the additions on the current or most recent contractors, the Committee has determined that the military resale commodities and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the military resale commodities and services to the Government.
2. The action will not have a severe economic impact on current contractors for the military resale commodities and services.
3. The action will result in authorizing small entities to furnish the military resale commodities and services to the Government.
4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the military resale commodities and services proposed for addition to the Procurement List.

Accordingly, the following military resale commodities and services are hereby added to the Procurement List:

Military Resale Commodities

Cup, Drinking, Styrofoam
M.R. 537
M.R. 539

Recycling Service, Basewide, Laughlin Air Force Base, Texas
Switchboard Operation, Department of Veterans Affairs Medical Center, Denver, Colorado
Toner Cartridge Remanufacturing, Fleet and Industrial Supply Center, Puget Sound, Bremerton, Washington

This action does not affect current contracts awarded prior to the effective

date of this addition or options that may be exercised under those contracts.

E. R. Alley, Jr.,
Deputy Executive Director.
