

authority of the President), is equal to or greater than the rate of basic pay payable for level V of the Executive Schedule. Based on these considerations, OGE has now, with the clearance of the Office of Management and Budget, suggested to Congress that the section 207(c)(2)(A)(ii) be amended so that "senior employee" status thereunder would be triggered by the rate of basic pay for level 5 of the Senior Executive Service, rather than the rate of basic pay for level V of the Executive Schedule. The Office of Government Ethics will keep agencies informed of any progress on this legislative initiative.

Under 5 CFR 2641.201(d)(4), OGE hereby gives notice that the above-referenced post-employment waiver, granted in its January 4, 1996 Memorandum, will expire and is revoked effective on July 1, 1996.

Approved: March 25, 1996.

Director, Office of Government Ethics.

Proposed Information Collection Activity, Comment Request

Title: Child Support Enforcement Program: State Plan Approval and Grant Procedures, State Plan Requirements, Standards for Program Operations, Federal Financial Participation, Optional Cooperative Agreements for Medical Support Enforcement, and Computerized Support Enforcement Systems.

Summary: The Office of Child Support Enforcement is requesting public comments for the information collection requirements included in a Notice of Proposed Rulemaking issued January 29, 1996 in the Federal Register (61 FR 2774). As required by the Paperwork Reduction Act of 1995 (44 U.S.C. 3507 (d)), the Department of Health and Human Services is submitting a copy of the revised State plan preprint page to the Office of Management and Budget (OMB) for its review.

The NPRM indicated that State plan preprint page revisions would be submitted to OMB for approval. This pertains to submission of the revised State plan preprint page for Section 303.105, Procedures for Making Information Available to Consumer Reporting Agencies. Under the Paperwork Reduction Act of 1995, the rulemaking notice should have included a request for comments on those information collection requirements. This notice is to supplement that rulemaking. In addition, this notice corrects the OMB number listed in the NPRM associated with those paperwork requirements to 0970-0017.

Respondents: State governments.

Description: The State plan preprint and amendments serve as a contract

with OCSE in outlining the activities the States will perform as required by law in order for States to receive federal funds to meet the costs of these activities. The affected public is comprised of States receiving funds. We are asking for approval of the revised State plan preprint page for Periodic Reporting to Consumer Reporting Agencies to reflect new Federal requirements. Procedures to Improve Program Effectiveness, is amended by adding a new section 7, Periodic Reporting to Consumer Reporting Agencies, which requires the State to have procedures, (1) To periodically report information regarding the amount of overdue support owed by an absent parent to consumer reporting agencies when such amount exceeds \$1,000 and is at least two months in arrears in accordance with section 666(a)(7) of the Act; and (2) for making absent parent information available to consumer

reporting agencies when the amount of overdue support is less than \$1,000. In addition, the revised page provides for indicating that the Secretary has granted the State an exemption from making information available to Consumer Reporting Agencies in accordance with § 302.70(d). The information collected on the State plan pages is necessary to enable OCSE to monitor compliance with the requirements in Title IV-D of the Social Security Act and implementing regulations.

Addresses and Dates: Consideration will be given to comments and suggestions submitted within 60 days of this publication. Comments may be forwarded to ACF in writing: Deputy Director, Office of Child Support Enforcement, Administration for Children and Families, 370 L'Enfant Promenade, SW., 4th floor, Washington, DC 20447. Attn: Director, Policy and

Planning Division, Mail Stop: OCSE/DPP.

Comments may be forwarded to OMB in writing: Office of Management and Budget, Paperwork Reduction Project, 725 17th Street, NW., Washington, DC 20503, Attn: Ms. Wendy Taylor. OMB is required to make a decision concerning the collection of information contained in these proposed regulations between 30 and 60 days after publication of this document in the Federal Register. Therefore, a comment to OMB is best assured of having its full effect if OMB receives it within 30 days of publication.

To ensure that public comments have maximum effect in developing the final regulations, the Department urges that each comment clearly identify the specific section or sections of the regulations that the comment addresses and that comments be in the same order as the regulations.
