

Sanctuary on April 17, 1996, in Honolulu, Hawaii. The SAC was established to advise NOAA's Sanctuaries and Reserves Division regarding the development and management of the Hawaiian Islands Humpback Whale National Marine Sanctuary. The Advisory Council was convened under the National Marine Sanctuaries Act.

TIME AND PLACE: Wednesday, April 17, 1996, from 9:30 a.m. until 4:00 p.m. The meeting will be held at the Honolulu International Airport—Interisland Terminal, Ohia Room #1.

AGENDA: General issues related to the Hawaiian Islands Humpback Whale National Marine Sanctuary are expected to be discussed, including an introduction of SAC members, a review of the SAC Charter, election of SAC officers, and a continuation of discussions concerning the review of comments on the Draft Environmental Impact Statement and Management Plan for the Sanctuary.

PUBLIC PARTICIPATION: The meeting will be open to the public. Seats will be available on a first-come, first-served basis.

FOR FURTHER INFORMATION CONTACT: Allen Tom (808) 879-2818 or Brady Phillips at (301) 713-3141, ext. 169.

(Federal Domestic Assistance Catalog Number 11.429 Marine Sanctuary Program)

Dated: April 9, 1996.

David L. Evans,

Acting Deputy Assistant Administrator for Ocean Services and Coastal Zone Management.

DEPARTMENT OF DEFENSE

Office of the Secretary of Defense

Ballistic Missile Defense Advisory Committee

ACTION: Notice of Advisory Committee Meeting.

SUMMARY: The Ballistic Missile Defense (BMD) Advisory Committee will meet in closed session in Washington, DC, on May 6-7, 1996.

The mission of the BMD Advisory Committee is to advise the Secretary of Defense and Deputy Secretary of Defense, through the Under Secretary of Defense (Acquisition and Technology), on all matters relating to BMD acquisition, system development, and technology.

In accordance with Section 10(d) of the Federal Advisory Committee Act,

Public Law No. 92-463, as amended by 5 U.S.C., Appendix II, it is hereby determined that this BMD Advisory Committee meeting concerns matters listed in 5 U.S.C. 552b(c)(1), and that accordingly this meeting will be closed to the public.

Dated: April 10, 1996.

Patricia L. Toppings,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5000-04-M

Department of the Navy

Notice of Intent To Prepare an Environmental Impact Statement for the Disposal and Reuse of Naval Air Warfare Center, Aircraft Division (NAWC AD), Indianapolis, Indiana

SUMMARY: Pursuant to Section 102(2)(c) of the National Environmental Policy Act of 1969 as implemented in the Council on Environmental Quality regulations (40 CFR parts 1500-1508), the Department of the Navy announces its intent to prepare an Environmental Impact Statement (EIS) for the Disposal of Naval Air Warfare Center, Aircraft Division (NAWC AD), Indianapolis, Indiana. NAWC AD Indianapolis is a Navy facility that provides electronic systems to the fleet, and is located in the east central portion of Marion County, approximately fifteen minutes from Indianapolis. The property comprises 163 acres of land and includes 62 buildings containing more than 973,000 square feet of usable floor space.

In accordance with the Defense Base Closure and Realignment Act of 1990, as implemented by the base closure process of 1995, the Navy intends to close NAWC AD Indianapolis and either (1) privatize NAWC AD, so that the mission remains the same but the ownership of the equipment and facilities is transferred to the private sector, including, possibly, the local government; or (2) relocate necessary functions along with associated personnel, equipment, and support to other Navy technical activities, then dispose of the base for other uses.

The objective of the EIS is to describe the existing conditions of NAWC AD Indianapolis, the disposal alternatives, and to evaluate the environmental impacts associated with the various reuse alternatives. The significant environmental effects that may result from the disposal and reuse of NAWC AD Indianapolis will be identified and fully discussed. The EIS will also effect compliance with the National Historic Preservation Act Section 106

consultation process. Major environmental issues that will be addressed in the EIS include air quality, water quality, and impacts to wetlands, endangered species, cultural resources, and socioeconomics.

The Navy will hold a public scoping meeting for the purpose of further identifying the scope of issues to be addressed in the EIS. It will be held on Tuesday, April 30, 1996 at 7:00 p.m. at the John Marshall Middle School Auditorium, 10101 East 38th Street, Indianapolis, Indiana. Navy representatives will make a brief presentation, then members of the public will be asked to provide their comments. It is important that federal, state, and local agencies and interested individuals take this opportunity to identify environmental concerns that should be addressed in the EIS. In the interest of time, speakers will be asked to limit comments to five minutes.

ADDRESSES: Agencies and the public are encouraged to provide written comments in addition to, or, in lieu of, oral comments at the scoping meeting. To be most helpful, comments should clearly describe specific issues or topics which the EIS should address. Written comments must be postmarked by May 30, 1996, and should be mailed to Commanding Officer, Southern Division, Naval Facilities Engineering Command, P.O. Box 190010, North Charleston, South Carolina 29419-9010 (Attn: Mr. Ronnie Lattimore, Code 064), telephone (803) 820-5888. The scoping meeting will be conducted in English, and requests for language interpreters or other special communications needs should be made to Mr. Lattimore at least one week prior to the meeting. The Navy will make every reasonable effort to accommodate these needs.

Dated: April 10, 1996.

M.A. Waters,

LCDR, JAGC, USN, Federal Register Liaison Officer.
