**SUPPLEMENTARY INFORMATION:**

NOFA for the Youthbuild Program

The Department published the Notice of Funding Availability (NOFA) for the Youthbuild Program in the Federal Register on March 4, 1996 (61 FR 8442). This notice advises the public that the NOFA for the Youthbuild Program is amended in the following ways:

1. The Department is amending the NOFA for the Youthbuild Program to

include the following language: "The Department may establish panels including persons not currently employed by the Department to obtain certain expertise and outside points of view, including views from other Federal agencies."

2. The Department is amending the NOFA for the Youthbuild Program regarding the estimated amount of funds available. The March 4, 1996 NOFA announced the expected availability of \$37.5 million for Fiscal Year (FY) 1996. However, this notice amends that NOFA to announce the availability of approximately \$20 million for FY 1996 under the Youthbuild Program.

NOFA for the Historically Black Colleges and Universities Program

The Department published the NOFA for the Historically Black Colleges and Universities (HBCU) Program in the Federal Register on March 7, 1996 (61 FR 9258). This notice advises the public that the NOFA for the HBCU Program is amended in the following ways:

1. The Department is amending the NOFA for the Historically Black Colleges and Universities Program to include the following language: "The Department may establish panels including persons not currently employed by the Department to obtain certain expertise and outside points of view, including views from other Federal agencies."

2. The Department is changing the submission deadline for applications under the Historically Black Colleges and Universities Program. The March 7, 1996 NOFA announced an application submission deadline of May 23, 1996. However, this notice extends the deadline for applications under this NOFA to be July 11, 1996.

NOFA for the Early Childhood Development Program

The Department published the NOFA for the Early Childhood Development Program in the Federal Register on March 28, 1996 (61 FR 13950). This notice advises the public that the NOFA for the Early Childhood Development Program is amended to include the following language: "The Department may establish panels including persons not currently employed by the Department to obtain certain expertise and outside points of view, including views from other Federal agencies."

NOFA for Continuum of Care Homeless Assistance

The Department published the NOFA for Continuum of Care Homeless Assistance in the Federal Register on March 15, 1996 (61 FR 10866). This

notice advises the public that the NOFA for Continuum of Care Homeless Assistance is amended in the following ways:

1. The Department is changing the application submission information for the Continuum of Care Homeless Assistance NOFA in order to make the deadline for using the Postal Service the same as the deadline for using an overnight delivery service.

On page 10873 of the NOFA, in the first column, this notice amends the first sentence of the paragraph under the heading "Submissions" to provide that: "Applications that are mailed before June 12, 1996, but received within ten (10) days after that date will be deemed to have been received by that date if postmarked by the United States Postal Service by no later than June 11, 1996."

2. This notice also provides information on additional selection considerations under the NOFA for Continuum of Care Homeless Assistance (61 FR 10866). These considerations are based on statutorily required funding limitations, and are described in section III.(a)(7) of the NOFA (61 FR 10870).

On page 10871, in the first column, in section III.(a)(7), under the heading "Additional selection considerations", the first two paragraphs are corrected to read as follows:

In accordance with section 455(b) of the McKinney Act, no more than 10 percent of the assistance made available for Shelter Plus Care in any fiscal year may be used for programs located within any one unit of general local government.

In accordance with section 441(c) of the McKinney Act, no city or urban county may have Section 8 SRO projects receiving a total of more than 10 percent of the assistance made available under this program.

On page 10871, in the first column, in section III.(a)(7), under the heading "Additional selection consideration", new paragraph is added after the second paragraph, to read as follows:

This year's NOFA does not set-aside specific amounts to be awarded under the Shelter Plus Care, Supportive Housing or the Section 8/SRO Moderate Rehabilitation programs. Instead, the distribution will be demand-driven. However, potential applicants need to be able to plan for their project proposals. Therefore, in accordance with the requirements of section 455(b) and section 441(c) of the McKinney Act, restricting awards to any one unit of general local government (for purposes of Shelter plus Care) or city or urban county (for purposes of the SRO program) in any fiscal year to no more than 10 percent of the assistance made available under each of these two programs. HUD is defining 10 percent this fiscal year as \$10 million for each of these two programs. This \$10 million number is based on past experience of the distribution of the total funds made available

for HUD homeless assistance programs. However, if the amount awarded under either of these two programs exceeds \$100 million, then the amount awarded to any one unit of general local government (for purposes of the Shelter Plus Care program) and or city or urban county (for the purposes of the SRO program) may not exceed 10 percent of the actual total amount awarded for that program.

In addition, if the Administration budget request is enacted as the final appropriation as referred to earlier in the NOFA, the 10% number for each of the 2 programs would increase proportionately.

Dated: April 18, 1996.

Mark C. Gordon,

*General Deputy Assistant Secretary for Community Planning and Development.*

**ADDRESSES:** Completed applications for grants should be sent to the Director, Office of Self-Governance, U.S. Department of the Interior, Mail Stop 2548, 1849 C Street NW, Washington DC 20240.

**FOR FURTHER INFORMATION CONTACT:**

Dr. Kenneth D. Reinfeld, U.S. Department of the Interior, Office of Self-Governance, 1849 C Street NW, Mail Stop 2548, Washington DC 20240, 202-219-0240.

**SUPPLEMENTARY INFORMATION:** The tribal self-governance program is designed to promote self determination by allowing tribes to assume more control through negotiated agreements of programs operated by the Department of the Interior. The new law allows for negotiations to be conducted for programs operated by BIA and for programs operated by other bureaus and offices within the Department that are available to Indians or when there is an historical cultural, or geographic connection to an Indian tribe.

One of the criteria for entry into self-governance negotiations is the completion of a self-governance planning activity. For this purpose, the Congress has provided funding for planning and negotiation grants.

The purpose of this notice is to announce the availability of planning and negotiation grants in accordance with the self-governance interim rule published elsewhere in today's Federal Register.

The following types of grants are available to tribes in 1996 with the deadlines as stated below:

(1) *Negotiation Grants:* Up to 20 grants of \$40,000 are available. As announced in the Federal Register on February 1, 1996, the closing date for submitting completed applications to begin participation in tribal self-governance in fiscal year 1996 or calendar year 1996 is April 29, 1996. Applications requesting to be included in the applicant pool to begin participation in tribal self-governance may be submitted at any time. Subject to the availability of funds, all tribes/consortia selected from the applicant pool to begin participation in tribal self-governance in fiscal year 1996 or calendar year 1997, will be eligible to receive a negotiation grant. Selected tribes/consortia will be notified by May 3, 1996, and must submit written applications for a negotiation grant no later than May 10, 1996, by indicating their intention to negotiate and annual funding agreement with any bureau within DOI for 1997.

(2) *Advance Planning Grants:* Up to 10 grants of \$50,000 are available. The closing date for submitting applications to receive a grant to plan for future participation in the tribal self-governance program is July 31, 1996.

(3) *Negotiation/Planning Grants to Negotiate Non-BIA Programs:* Up to 10 grants of no more than \$40,000 are available. The closing date for submitting applications to receive a negotiation/planning grant for existing self-governance tribes to negotiate for DOI non-BIA programs is May 15, 1996.

In order to provide sufficient time for tribes to effectively use the planning and negotiation grants, the following dates have been identified for the awarding of grants:

(1) *Negotiation Grants:* Since agreements for the 1997 fiscal year need to be signed and submitted by July 1, 1996, to allow sufficient time to prepare for negotiations, new participating tribes will be selected and awarded negotiation grants by May 15, 1996.

(2) *Advance Planning Grants:* In order to avoid delays in planning activity and future participation in tribal self-governance, advance planning grants must be awarded to tribes/consortia by August 30, 1996.

(3) *Negotiation/Planning Grants to Negotiate Non-BIA Programs:* Since agreements for the 1997 fiscal year need to be signed and submitted by July 1, 1996, to allow sufficient time to prepare for negotiation of DOI non-BIA programs, negotiation/planning grants for existing self-governance tribes to negotiate non-BIA programs must be awarded by May 22, 1996.

**Submitting Applications**

(1) Applications must be submitted in accordance with the interim rule published elsewhere today in the Federal Register and by the deadlines identified in this announcement.

(2) Applications may be mailed or hand-delivered.

(3) Applications which are mailed must be postmarked no later than the date given in this notice for the particular type of grant being applied for.

Dated: April 4, 1996.
