### Notice of Public Information Collections being Reviewed by the Federal Communications Commission; Comments Requested

May 1, 1996.

**SUMMARY:** The Federal Communications, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number.

Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commissions burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

**DATES:** Written comments should be submitted on or before July 8, 1996. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESS:** Direct all comments to Dorothy Conway, Federal Communications, Room 234, 1919 M St., NW., Washington, DC 20554 or via internet to [dconway@fcc.gov](mailto:dconway@fcc.gov).

**FOR FURTHER INFORMATION CONTACT:** For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at [dconway@fcc.gov](mailto:dconway@fcc.gov).

**SUPPLEMENTARY INFORMATION:**

*OMB Approval Number:* 3060-0069.

*Title:* Application for Commercial Radio Operator License.

*Form No.:* FCC 756.

*Type of Review:* Revision of a currently approved collection.

*Respondents:* Individuals.

*Number of Respondents:* 19,000.

*Estimated Time Per Response:* 20 minutes.

*Total Annual Burden:* 6,270 hours.

*Needs and Uses:* This collection of information is necessary to establish the identity of persons applying for radio operator licenses. The Commission is authorized under Section 303(l)(1) of the Communications Act of 1934, as amended, to issue radio operator licenses to those persons found to be qualified. To properly identify those qualified persons, it is necessary to collect the full name and date of birth for each applicant. Collection of photographs of applicants for radiotelegraph licenses is in accordance with Paragraph 3870 of Article 55 of the International Radio Regulations. The information and photographs are required since they appear on the license authorization.

The form is being revised to allow a purpose of application block for modification. Modification is to be checked only if adding the Ship Radar

Endorsement and/or Six Months Service Endorsement to their existing license. Applicants previously applied as purpose "New" to add these endorsements. In addition, a space for the applicant to provide an Internet address is being added to the form. This will provide an additional option of reaching the applicant should the FCC have any questions concerning the application. These changes do not change the number of respondents or the burden time.
