SUPPLEMENTARY INFORMATION:

Background

The Department received a request to conduct an administrative review of the antidumping duty order on sebacic acid from the PRC. On September 15, 1995, the Department published a notice of initiation of this administrative review covering the period July 13, 1994, through June 30, 1995. The Department adjusted the time limits by 28 days due to the government shutdowns, which lasted from November 14, 1995, to November 20, 1995, and from December 15, 1995, to January 6, 1996. See memoranda to the file from Susan G. Esserman, Assistant Secretary for Import Administration, dated November 22, 1995, and January 11, 1996. As adjusted, the current time limits are April 29, 1996, for the preliminary results and August 27, 1996, for the final results.

It is not practicable to complete this review within the time limits mandated by section 751(a)(3)(A) of the Act.

Therefore, in accordance with that section, the Department is extending the time limits for the preliminary results to August 27, 1996, and for the final results to February 24, 1997.

Interested parties must submit applications for disclosure under administrative protective order in accordance with 19 CFR 353.34(b).

These extensions are in accordance with section 751(a)(3)(A) of the Act.

Dated: April 29, 1996.
