FEDERAL TRADE COMMISSION

Public Workshop on Consumer Privacy on the Global Information Infrastructure

AGENCY: Federal Trade Commission.

ACTION: Announcement of public workshop.

SUMMARY: The Bureau of Consumer Protection of the Federal Trade Commission announces it will host a one and one-half day public workshop on consumer privacy on the Global Information Infrastructure (GII). Online transactions, such as the purchase of goods, generated electronic data that are easily duplicated, stored, retrieved, analyzed and re-used. Advances in hardware, software, and communications technologies additionally allow previously impossible or impractical manipulation of information. The Bureau's purposes for conducting this workshop are to gather information on consumers' and industry's understanding of the privacy issues posed by the emerging online marketplace, and also to gather information on online protections for consumer privacy.

DATES: The workshop will be held on June 4, 1996 from 9:00 am to 5:00 pm (Room 432) and on June 5, 1996 from 9:00 am to 12:30 pm (Room 332), at the Federal Trade Commission, Sixth Street and Pennsylvania Avenue, NW, Washington, DC 20580. All interested parties are welcome to attend.

ADDRESSES: Requests to participate in the workshop should be mailed, on or before May 24, 1996, to Martha Landesberg, Division of Credit Practices, Bureau of Consumer Protection, Federal Trade Commission, Washington, DC 20580. Written comments should be directed to: Secretary, Federal Trade Commission, Room H-159, Sixth Street and Pennsylvania Avenue, NW Washington, DC 20580. Comments

should be identified as "Consumer Privacy—Comment."

FOR FURTHER INFORMATION CONTACT: Martha Landesberg, Division of Credit Practices, Bureau of Consumer Protection, Federal Trade Commission, Washington DC 20850. Telephone: (202) 326-2825; electronic mail address: mlandesberg@ftc.gov.

SUPPLEMENTARY INFORMATION:

Public Workshop on Consumer Privacy on the Global Information Infrastructure

Agenda

June 4, 1996

Session 1—The Use of Consumer Information

Issues

How is personal information currently used by online businesses? What do consumers know about the use of consumer information in online marketing and commercial transactions? What kinds of disclosure and notice might be provided to consumers? What choices can or should consumers have in exercising control over uses of personal information? How can the security and accuracy of personal information used online be assured? Are voluntary standards useful in this area?

Session 2—Electronic Regimes for Protecting Consumer Privacy Online

Issues

Can technological standards such as the Platform for Internet Content Selection (PICS) system be used as models to facilitate automatic disclosure of privacy policies and the availability of consumer choice regarding the use of personal information?

Session 3—Consumer and Business Education in Online Privacy Issues

Issues

What are the various means of educating consumers and industry about the use of personal information in online transactions?

Session 4—The Use of Medical and Financial Information Online

Issues

What kinds of heightened protections might be afforded medical and financial information? What role, if any should such information play in online transactions?

Session 5—The Impact of the European Commission's Council Directive on the Protection of Personal Data

Issues

What does the Directive require of government and industry with respect

to the free flow of personal information? Can industry satisfy the Directive's "adequacy" requirement through the use of interactive privacy regimes?

June 5, 1996

Session 6—The Collection and Use of Information about Children

Issues

What information is currently collected about children online and how is it being used? Is it appropriate to place limits on the online collection and/or use of information from and about children? What limits could be recommended? Who may consent and exercise choice in this context?

By direction of the Commission.

Donald S. Clark,

Secretary.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary

Statement of Organization, Functions and Delegation of Authority

Part A (Office of the Secretary), Chapter AE (Office of the Assistant Secretary for Planning and Evaluation (OASPE)), of the Statement of Organization, Functions and Delegation of Authority for the Department of Health and Human Services (most recently amended at 58 FR 68649 on December 28, 1993) is amended as follows:

I. Chapter AE, paragraph B. "The Office of Program Systems," delete in its entirety and replace with the following:

B. The Office of Program Systems—The Office of Program Systems is responsible for providing guidance and direction to the Department's strategic, policy, and support planning, conducting policy and economic analyses of crosscutting issues, developing planning and policy information and related support systems, and providing technical and policy support services.

1. The Division of Decision Systems is responsible for managing major planning systems for the Department and the OASPE, including strategic, legislative, policy and policy support planning. The Division manages the development and implementation of the Department's strategic plan, provides policy guidance and assistance to the Operating Divisions and Staff Divisions in the development of their components for the plan and coordinates the

development and maintenance of performance measurements and reporting under the plan. The Division coordinates these activities with other offices with implementation responsibilities and functions related to the Government Performance and Results Act. The Division manages the establishment of schedules and procedures to ensure the availability of supporting information. The Division also develops functional requirements for departmental policy support systems in the legislative and strategic planning areas; coordinates the planning of evaluation and social research agenda across the Department and coordinates the regulatory review process within the OASPE. Finally, the Division coordinates and conducts policy analysis in subjects and areas not covered by, or cutting across, the programmatic offices of the OASPE. In collaboration with the Assistant Secretary for Management and Budget, conducts policy reviews related to the Department's Continuous Improvement Program.

2. The Division of Data Policy serves as the HHS focal point for data policy analysis, planning and development, as well as for coordination of data and statistical policy within HHS. The Division provides an Executive Secretary, as well as leadership and staff support, to the HHS Data Council, the principal internal forum and advisory body to the Secretary on data policy issues, including data strategy, data standards, and privacy issues. The Division also provides direction and oversight and serves as the HHS Executive Director to the National Committee on Vital and Health Statistics, the statutory public advisory body to the Secretary on health data and statistics, and serves as the focal point within HHS for all matters relating to the Committee. The Division also provides staff support to the ASPE and OS leadership on a variety of Departmentwide data policy issues and initiatives, including statistical policy, privacy, data standards, and data planning issues, as well as data issues in support of performance measurement and performance partnership grants, and directs a portfolio of developmental projects in those areas. The Division also maintains liaison with other agencies and organizations on a variety of data and statistical policy issues.

3. The Division of State and Local Initiatives assists State, local and Tribal governments, as well as community-based programs, in developing, implementing and evaluating innovative approaches to improving programs and systems which cut across the

programmatic offices of the ASPE. The Division coordinates with the Department's OPDIVS and STAFFDIVS to provide technical assistance. The Division also coordinates with other Federal Departments and agencies to identify opportunities to improve linkages, develop collaborative efforts, and/or to establish partnerships to improve the overall effectiveness of federally funded programs. The Division provides analytic support as well as policy guidance to Departmental OPDIVS and STAFFDIVS to improve services delivered by community-based organizations as well as State and local governments for crosscutting program areas. The Division collaborates with State and local governments, in cooperation with the Office of Intergovernmental Affairs, to develop mutually acceptable goals, objectives, and performance measures for achieving effective outcomes measures.

4. The Division of Modeling, Computer and Technical Systems is responsible for providing statistical, scientific programming, modeling, computer systems and other technical staff services to policy analyses, research and evaluation activities of the OASPE. It coordinates on departmental issues concerning income and poverty with the Bureau of the Census and annually revises and publishes the Poverty Income Guidelines. Finally, it provides technical assistance and advice to other policy offices within the Department on certain statistical and specialized scientific policy analyses, and administers a policy information center for identifying and retrieving evaluative and policy research studies.
