

include retail trade, wholesale trade, business services, transportation and other service related industries are the primary areas of the economy where the Census Bureau plans to collect the new NAICS information.

The classification information collected from businesses will be used to update the Census Bureau's mailing lists to ensure respondents will receive the correct 1997 Economic Census form. The collection of this new NAICS information will greatly reduce processing costs and ease reporting burden for the 1997 Economic Censuses data collection. The Census Bureau is not requesting any economic data in this collection.

## II. Method of Collection

The Census Bureau will select establishments to receive this survey from the Census Bureau's Standard Statistical Establishment List. Short form questionnaires are designed for respondents to select the industry activity that best describes the establishment's business. The Census Bureau's mail list will include single business establishments and companies with multiple establishments. To be eligible for selection, an establishment must satisfy the following conditions: (1) the current SIC is affected by the NAICS implementation or the current SIC is only coded to the 2 or 3 digit level; and (2) the establishment is above the mail cutoffs planned for the 1997 Economic Census.

## III. Data

*OMB Number:* Not Available.

*Form Number:* NC-9922.

*Type of Review:* Regular Review.

*Affected Public:* Businesses or Other for Profit Institutions, Non-profit Institutions, Small Businesses or Organizations, and State or Local Governments.

*Estimated Number of Respondents:* 800,000.

*Estimated Time Per Response:* 5 minutes.

*Estimated Total Annual Cost:* The cost to the government for this work is included in the total cost of the 1997 Economic Census, estimated to be \$218 million.

## IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden

(including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

## DEPARTMENT OF COMMERCE

### Foreign-Trade Zones Board

[Docket 37-96]

#### Foreign-Trade Zone 43—Battle Creek, MI Area; Application for Expansion

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the City of Battle Creek, Michigan, grantee of FTZ 43, requesting authority to expand its zone at a site in Benton Harbor, Michigan, adjacent to the Battle Creek Customs port of entry. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on May 7, 1996.

FTZ 43 was approved on October 19, 1978 (Board Order 138, 43 FR 50233; 10/27/78). Since then the zone has been expanded three times (B.O.s 496, 554 & 555). It currently consists of three sites in the Battle Creek area: *Site 1*: (1,731 acres)—within the Fort Custer Industrial Park and adjacent Columbia West Industrial Park, Battle Creek; *Site 2*: (23 acres)—warehouse facility owned and operated by TLC Warehousing Services, Inc. (TLC), at 6677 Beatrice Drive in Texas Township (Kalamazoo County); and *Site 3*: (22 acres)—warehouse facility, also operated by TLC, 8250 Logistic Drive, Zeeland Township (Ottawa County), some 20 miles southwest of Grand Rapids.

The applicant is now requesting authority to expand the general-purpose zone to include a site (30 acres—2 parcels) located within the 120-acre St. Joseph River Harbor Development Area adjacent to Lake Michigan in Benton Harbor (Berrien County), Michigan, some 50 miles east of Battle Creek. The first parcel is bordered by North Riverview Street, BL-94, the St. Joseph River and the Paw Paw River. The second parcel is bordered by Graham Street, 8th Street, the CSX Railroad Line and the Paw Paw River. The site will be operated by Cornerstone Alliance Council of Commerce and Community Development, a local economic development corporation.

In accordance with the Board's regulations (as revised, 56 FR 50790-

50808, 10-8-91), a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment (original and 3 copies) is invited from interested parties (see FTZ Board address below). The closing date for their receipt is July 19, 1996. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period August 5, 1996.

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

U.S. Customs Service, North Central Region, 4950 W. Dickman Road, Battle Creek, Michigan 49016

[Docket 38-96]

#### Foreign-Trade Zone 21—Charleston, SC; Request for Manufacturing Authority, Quoizel, Inc., (Lighting Fixtures)

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the South Carolina State Ports Authority, grantee of FTZ 21, requesting authority on behalf of Quoizel, Inc., to manufacture lighting fixtures under zone procedures within FTZ 21, Site 3, Crowfield Corporate Center, Goose Creek, South Carolina. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on May 8, 1996.

Quoizel is planning to move its headquarters and manufacturing facility to a site located within FTZ 21, Site 3, Crowfield Corporate Center by July 1996. The facility (300 employees) will produce lighting fixtures for households and commercial markets. Some 60 percent of the components are sourced abroad, including lighting fixture parts of glass, plastic, brass and steel. Exports will account for some 10 percent of production.

Zone procedures would exempt Quoizel from Customs duty payments on foreign materials used in

manufacturing for export. On domestic sales, the company would be able to choose the duty rates that apply to lighting fixtures (ranging from 3.7% to 7.6%), rather than the duty rates that would otherwise apply to the foreign components (ranging from 4.7% to 13.2%). The application indicates that the savings from zone procedures would help improve the international competitiveness of the Quoizel facility.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is July 19, 1996. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to August 5, 1996).

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

U.S. Department of Commerce District Office, 81 St. Mary St., Charleston, South Carolina 29403

Office of the Executive Secretary, Foreign-Trade Zones Board, U.S. Department of Commerce, Room 3716, 14th & Pennsylvania Avenue, NW., Washington, DC 20230
