

Commission at least thirty (30) days prior to any proposed change in its organization, such as dissolution, assignment or sale resulting in the emergence of a successor, or the creation or dissolution of subsidiaries or any other change that may affect compliance obligations arising out of this order.

VII

It is further ordered that, for the purpose of determining or securing compliance with this order, subject to any legally recognized privilege, and upon written request with reasonable notice to Loewen made to its principal offices, Loewen shall permit any duly authorized representative or representatives of the Commission:

A. Access, during the office hours of Loewen and in the presence of counsel, to inspect and copy all books, ledgers, accounts, correspondence, memoranda and other records and documents in the possession or under the control of Loewen relating to any matters contained in this order; and

B. Upon five (5) days' notice to Loewen and without restraint or interference therefrom, to interview officers or employees of Loewen, who may have counsel present, regarding such matters.

Analysis of Proposed Consent Order To Aid Public Comment

The Federal Trade Commission has accepted an agreement, subject to final approval, to a proposed consent order from The Loewen Group Inc. and Loewen Group International, Inc. (hereinafter collectively referred to as "Loewen").

The proposed consent order has been placed on the public record for sixty (60) days for reception of comments from interested persons. Comments received during this period will become part of the public record. After sixty (60) days, the Commission will again review the agreement and the comments received and will decide whether to withdraw from the agreement or make final the agreement's proposed order.

The Commission's complaint in this matter charges Loewen with violating Section 5 of the Federal Trade Commission Act, as amended, and Section 7 of the Clayton Act, as amended, in connection with Loewen's acquisitions of Garza Memorial Funeral Home, Inc., in Brownsville, Texas, and

Thomae-Garza Funeral Directors, Inc., in San Benito, Texas.

The consent order contains provisions designed to remedy the alleged violations.

Part I of the order contains the definitions of terms that are used in the order.

Part II of the order requires that within twelve (12) months of the date that the order becomes final, Loewen must divest: (1) either Thomae-Garza Funeral Directors, Inc., or both Pitts, Kriedler-Ashcraft Funeral Directors, Inc., and Garza-Elizondo Funeral Directors; and (2) Garza Memorial Funeral Home, Inc., or Paragon Trevino Funeral Home, Inc., or Darling-Mouser Funeral Home, Inc.

Part III of the order provides for the appointment of a trustee to accomplish the divestitures required by the order if Loewen fails to make timely divestitures.

Part IV of the order requires Loewen, for ten (10) years, to provide written notification to the Commission prior to acquiring any interest in a funeral home located in Cameron County, Texas, or within fifteen (15) miles of the Cameron County, Texas, line.

Part V of the order requires Loewen to provide periodic compliance reports until the divestitures are completed. Part V also requires Loewen, for ten (10) years, to provide annual compliance reports detailing how it is complying with Part IV of the order.

Part VI of the order requires Loewen, for ten (10) years, to notify the Commission of any changes in corporate structure that might affect compliance with the order.

Part VII of the order permits Commission representatives, for the purpose of determining or securing compliance with the order, to have access to Loewen's offices to inspect and copy documents and, upon five days' notice, to interview Loewen's officers and employees.

The purpose of this analysis is to facilitate public comment on the proposed order. It is not intended to constitute an official interpretation of the agreement and proposed order, or to modify any of their terms.

Donald S. Clark,
Secretary.
