May 14, 1996.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on April 29, 1996, Delta Clearing Corp. ("DCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by DCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to notify the Commission that Tullet and Tokyo Securities Inc. ("Tullet") has been authorized as an interdealer broker in DCC's over-the-counter clearance and settlement system for U.S. Treasury repurchase ("repo") transactions.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, DCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. DCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

DCC's system clears repo agreements that have been agreed to through the facilities of interdealer brokers that have been authorized by DCC ("Authorized Brokers") to offer their services to DCC participants.³ Currently, Liberty Brokerage, Inc., RMJ Special Brokerage Inc., Euro Brokers Maxcor Inc., Prebon Securities (USA) Inc., and Tradition (Government Securities) Inc. are Authorized Brokers. The purpose of the proposed rule change is to notify the Commission that Tullet has been authorized to act as an Authorized Broker in DCC's clearance and settlement system for repo trades.

The proposed rule change will facilitate the prompt and accurate clearance and settlement of securities transactions, and therefore, the proposed rule change is consistent with the requirements of the Act, specifically Section 17A of the Act, and the rules and regulations thereunder.⁴

(B) Self-Regulatory Organization's Statement on Burden on Competition

DCC does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Comments were neither solicited nor received.

²The Commission has modified parts of these statements.

³For a complete description of DCC's repo clearance system, see Securities Exchange Act Release No. 36367 (October 13, 1995), 60 FR 54095.

⁴15 U.S.C. 78q-1 (1988).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁵ and Rule 19v-4(e)(4) thereunder,⁶ in that the proposal effects a change in an existing service of a registered clearing agency that does not adversely affect the safeguarding of securities or funds in the custody or control of the clearing agency or for which it is responsible and does not significantly affect the respective rights or obligations of the clearing agency or persons using the service. At any time within sixty days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. SUPPLEMENTARY INFORMATION:**A. General**

The Computer Matching and Privacy Protection Act of 1988 (Public Law (Pub. L.) 100-503) amended the Privacy Act (5 U.S.C. 552a) by establishing the conditions under which computer matching involving the Federal Government could be performed and adding certain protections for individuals applying for and receiving Federal benefits. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508) further amended the Privacy Act regarding protections for such individuals. The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State, or local government records. Among other things, it requires Federal agencies involved in computer matching programs to:

(1) Negotiate written agreements with the other agency or agencies participating in the matching programs;

(2) Obtain the Data Integrity Boards' approval of the match agreements;

(3) Furnish detailed reports about matching programs to Congress and OMB;

(4) Notify applicants and beneficiaries that their records are subject to matching; and

(5) Verify match findings before reducing, suspending, terminating or denying an individual's benefits or payments.

B. SSA Computer Matches Subject to the Privacy Act

We have taken action to ensure that this computer matching program complies with the requirements of the Privacy Act, as amended.

Dated: May 9, 1996.

Notice of Computer Matching Program, Social Security Administration (SSA) with the Department of the Treasury, Bureau of Public Debt (BPD)— Match Number 1038

A. Participating Agencies

SSA and BPD.

B. Purpose of the Matching Program

The purpose of this matching program is to establish conditions and procedures for BPD disclosure of certain savings bond information useful to SSA in verifying eligibility and payment amount under the supplemental security income (SSI) program provided under title XVI of the Social Security Act (Act) to individuals with income and resources below levels established by law and regulations.

C. Authority for Conducting the Matching Program

Section 1631(e)(1)(B) and (f) of the Act (42 U.S.C. 1383(e)(1)(B) and (f)).

D. Categories of Records and Individuals Covered by the Match

SSA will provide BPD with a finder file, extracted from SSA's Supplemental Security Income Record System, containing Social Security numbers of individuals who receive SSI payments. This information will be matched with BPD files in BPD's savings bond registration system of records (United States savings-type securities) and a reply file of matched records will be furnished to SSA. Upon receipt of BPD's reply file, SSA will match identifying information from the BPD file with SSA's records to ensure that the data pertain to the relevant SSI recipients.

E. Inclusive Dates of the Match

The matching program shall become effective no sooner than 40 days after a copy of the agreement, as approved by the Data Integrity Boards of both agencies, is sent to Congress and the Office of Management and Budget (OMB) (or later if OMB objects to some or all of the agreement), or 30 days after publication of this notice in the Federal Register, whichever date is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.
