The Department of Commerce has received a request to conduct an administrative review of the antidumping duty order on certain forged steel crankshafts from the United Kingdom. On October 12, 1995, the Department initiated this administrative review covering the period September 1, 1994, through August 31, 1995. The Department adjusted the time limits by 28 days due to the government shutdowns, which lasted from November 14, 1995, to November 20, 1995, and from December 15, 1995, to January 6, 1996.
