Defense Science Board Task Force on Image-Based Automatic Target Recognition; Notice of Advisory Committee Meetings

SUMMARY: The Defense Science Board Task Force on Image-Based Automatic Target Recognition will meet in closed session on July 10-12, 1996 at Science Applications International Corporation, McLean, Virginia.

The mission of the Defense Science Board is to advise the Secretary of Defense through the Under Secretary of Defense for Acquisition and Technology on scientific and technical matters as they affect the perceived needs of the Department of Defense. At this meeting the Task Force will assess the ability of automatic/aided target recognition technology and systems to support important military missions, principally in the near- and mid-term. The Task Force should concentrate on those technologies and systems that use imagery (EO, IR or radar) as their primary input medium.

In accordance with Section 10(d) of the Federal Advisory Committee Act, Public Law 92-463, as amended (5 U.S.C. App. II (1996)), it has been determined that this DSB Task Force meeting concerns matters listed in 5 U.S.C. 552b(c)(1) (1996), and that accordingly this meeting will be closed to the public.

Dated: May 23, 1996.

Patricia L. Toppings,
Alternate OSD Federal Register Liaison Officer, Department of Defense.

Department of the Air Force

Record of Decision (ROD) for the Disposal and Reuse of Gentile Air Force Station (AFS), Ohio

On April 12, 1995, the Air Force signed the ROD for the Disposal of Gentile AFS. The decisions included in this ROD have been made in consideration of, but not limited to, the information contained in the Final Environmental Impact Statement (FEIS) filed with the Environmental Protection Agency on January 19, 1996.

Gentile AFS will close on December 31, 1996, pursuant to the Defense Authorization Amendments and Base Closure and Realignment Act (BCRA), Public Law 100-526, and recommendations of the Defense Secretary's Commission on Base Realignment and Closure. This ROD

documents the Gentile AFS disposal decisions.

The decision conveyed by the ROD is to dispose of Gentile AFS in a manner that enables development of light manufacturing, a business complex and recreational facilities. This allows for the central theme of the proposed future land use plans discussed in the FEIS to be fully implemented. The environmental findings and mitigation measures contained in the initial ROD remain fully applicable.

Consistent with the community reuse plan, the ROD balances business and industrial with a recreational park.

One disposal method, an Economic Development Conveyance (EDC) to the City of Kettering, the Local Redevelopment Authority (LRA), includes all parcels involved in the ROD. The installation, consisting of a total of 164 acres, which includes the 16-acre parcel for Defense Finance and Accounting Services (DFAS) and all Government-owned utilities and roadways, will be conveyed to the LRA according to a mutually agreeable schedule being developed based on environmental condition and remediation, community reuse plans and base closure. In addition, new legislation was incorporated into the ROD to lease-back the parcel for DFAS for a long-term lease at no cost to the Government.

The implementation of the closure and reuse action and associated mitigation measures will proceed with minimal adverse impact to the environment. This action conforms with applicable Federal, State and local statutes and regulations and all reasonable and practical efforts have been incorporated to minimize harm to the local public and environment.

Any questions regarding this matter should be directed to Ms. Teresa R. Pohlman, Program Manager, Division D. Correspondence should be sent to: AFBCA/DD, 1700 North Moore Street, Suite 2300, Arlington, VA 22209-2809. Patsy J. Conner,

Air Force Federal Register Liaison Officer.
