Sec. 8, N $\frac{1}{2}$ NW $\frac{1}{4}$, SW $\frac{1}{4}$ NW $\frac{1}{4}$.

EFFECTIVE DATE: This order became effective on the lands described above on May 21, 1996—the date of signature of the Land Closure Order by the authorized officer.

SUPPLEMENTARY INFORMATION: The public lands involved (approximately 120 acres) are adjacent to private lands commonly referred to as Woodruff Butte. These private lands are currently being mined for sand and gravel. The butte is regarded as an area of traditional religious significance by the Hopi, Zuni and Navajo tribes. Existing access (unauthorized) to these private lands involves the crossing of the above described public lands. The purpose of this closure order is to allow the Bureau of Land Management to consider granting access to these private lands. This process will include legally mandated consultations with the tribes and other interested parties, and the completion of the environmental analysis required under the National Environmental Policy Act.

ORDER: Notice is hereby given that the above described public lands, upon their respective dates, are closed until further notice.

AGENCY: Bureau of Land Management, Interior.

ACTION: Public land order.

SUMMARY: This order revokes, in its entirety, a Secretarial Order as it affects 21.50 acres of public lands withdrawn for Power Site Classification No. 43.
