#### SECURITIES AND EXCHANGE COMMISSION

##### Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (Chase Corporation, Common Stock, \$.10 Par Value) File No. 1-9852

July 9, 1996.

Chase Corporation ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the Boston Stock Exchange Incorporated ("BSE").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

According to the Company, the Security is presently listed on the American Stock Exchange, Inc. In making the decision to withdraw its Security, from listing on the BSE, the Company considered the direct and indirect costs and expenses attendant on maintaining the dual listing of its Security on the BSE and the Amex. The Company does not see any particular advantage in the dual trading of its securities and believes that dual listing would fragment the market for its securities.

Any interested person may, on or before July 30, 1996, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street NW., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,  
*Secretary.*

##### Issuer Delisting; Notice of Application To Withdraw From Listing and Registration (Laser Industries Limited, Ordinary Shares Par Value NIS 0.00001); File No. 1-8201

July 9, 1996.

Laser Industries Limited ("Company"), a Company incorporated in Israeli, has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

According to the Company, its Board of Directors unanimously approved resolutions on May 27, 1996, which authorized the Company's officers, among other things, to withdraw the Security from listing on the Amex and to apply for the quotation of the Security on the National Association of Securities Dealers Automated Quotations National Market System ("Nasdaq/NMS").

The Company's Board of Directors believes that quotation on Nasdaq will be more beneficial to the Company's shareholders than the present listing on the Amex for the following reasons:

(a) The Nasdaq's system of multiple, competing market makers provide the Company with increased visibility

within the financial community, resulting in increased awareness of the Company's activities among investors;

(b) Nasdaq system will enable the Company to attract its own market makers and to expand the capital base available for purchases of its Security;

(c) Nasdaq system will, in the Company's opinion, stimulate increased demand for its Security and result in greater liquidity for the Company's shareholders;

(d) The firms making a market in the Security on Nasdaq will be more likely to issue research reports with respect to the Company, which will increase the availability of information about the Company and increase its visibility to investors; and

(e) A significant number of the Company's competitors which are publicly owned have one or more classes of common equity securities which are quoted on Nasdaq, providing the Company's shareholders with a comparable peer group against which to assess the trading performance of the Security.

Any interested person may, on or before July 30, 1996 submit by letter to the Secretary of the securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,  
Secretary.
