FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collections Being Reviewed by the Federal Communications Commission

August 14, 1996.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Persons wishing to comment on this information collection should submit comments October 21, 1996.

ADDRESSES: Direct all comments to Dorothy Conway, Federal

Communications Commission, Room 234, 1919 M St., NW., Washington, DC 20554 or via internet to dconway@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION: On July 17, 1996, the Commission adopted the First Report and Order amending its rules and policies regarding the use of the 28 GHz frequency band for satellite space station and Local Multipoint Distribution Services, known as the 28 GHz band segmentation plan. *Rulemaking to Amend Parts 1, 2, 21, and 25 of the Commission's Rules to Redesignate the 27.5-29.5 GHz Frequency Band, to Reallocate the 29.5-30.0 GHz Frequency Band, to Establish Rules and Policies for Local Multipoint Distribution Service and for Fixed Satellite Services*, CC Docket No. 92-297, FCC 96-311 (released July 22, 1996). Due to an administrative oversight the information collections contained in this order were not submitted to OMB with the Commission's request for approval of the collection during the Notice of Proposed Rulemaking stage.

This information collection will be used by the Commission, and other applicants and/or licensees in the 28 GHz band, to ensure the technical coordination of systems that are designated to share the same band segment in the 28 GHz band. Without such information the Commission could not implement the band plan as set forth in the *First Report and Order and Fourth Notice of Proposed Rulemaking*.

OMB Approval Number: New.

Title: 28 GHz Band Segmentation Plan.

Form No.: N/A.

Type of Review: New collection.

Respondents: Not-for-profit institutions; Business or other for-profit; Small businesses and organizations.

Number of Respondents: 15 submitting paperwork approximately 4 times per year.

Estimated time per response: 1.5 hours.

Total Annual Burden: 90 hours.

Estimated cost per respondent: Based on the assumption that applicants will hire outside counsel at an approximate cost of \$150 per hour, it is estimated that the cost per submission will be \$300.00.

Needs and Uses: The collections of information contained in Parts 25 and 101 are used by Commission staff in carrying out its duties as set forth in

Section 308 and 309 of the Communications Act of 1934, as amended, 47 U.S.C. Section 308 and 309, to determine the technical qualifications of an applicant to operate a station and will be used by the Commission to verify that licensees are fully coordinated with other users in the band. The information collected is used to determine whether the public interest, convenience and necessity will be served.

Federal Communications Commission.

Notice of Public Information Collections Submitted to OMB for Review and Approval

August 14, 1996.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a

currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number.

Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before September 19, 1996. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Dorothy Conway, Federal Communications Commission, Room 234, 1919 M St., N.W., Washington, DC 20554 or via internet to dconway@fcc.gov and Timothy Fain, OMB Desk Officer, 10236 NEOB 725 17th Street, N.W., Washington, DC 20503 or fain_t@a1.eop.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0398.

Form No.: None.

Type of Review: Revision of an existing collection.

Number of Respondents: 320.

Estimated Time Per Response: 28.4375 hours.

Total Annual Burden: 9,100 hours.

Needs and Uses: The information gathered is used by the Commission to ensure that data accompanying all requests for equipment authorization are valid, and that proper testing procedures are used. Testing ensures that potential interference to radio communications is controlled, and if necessary, the data gathered may be used for investigating complaints or harmful interference, or for verifying the manufacturer's compliance with the Commission's Rules. This revision eliminates the necessity for manufacturer's to file UHF noise figure

data documenting the performance of TV receivers tested and marketed in the U.S. The requirement was eliminated from the rules by the adoption of the Report and Order in ET Docket 95-144.

FEDERAL RESERVE SYSTEM

Formations of, Acquisitions by, and Mergers of Bank Holding Companies

The companies listed in this notice have applied to the Board for approval, pursuant to the Bank Holding Company Act of 1956 (12 U.S.C. 1841 *et seq.*) (BHC Act), Regulation Y (12 CFR Part 225), and all other applicable statutes and regulations to become a bank holding company and/or to acquire the assets or the ownership of, control of, or the power to vote shares of a bank or bank holding company and all of the banks and nonbanking companies owned by the bank holding company, including the companies listed below.

The applications listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. Once the application has been accepted for processing, it will also be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act, including whether the acquisition of the nonbanking company can "reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices" (12 U.S.C. 1843). Any request for a hearing must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal. Unless otherwise noted, nonbanking
