**Agency Information Collection Activities: Submission for OMB Review; Comment Request**

**SUMMARY:** The Federal Emergency Management Agency has submitted the following proposed information collection to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3507(a)(1)).

*OMB Control Number:* 3067-0024.  
*Title:* General Admissions Application and National Fire Academy Roster of Course Completion.

*Type of Review:* Extension.  
*Form Numbers:* FEMA Form 75-5, General Admissions Application; FEMA Form 75-9, National Fire Academy Roster of Course Completion.

*Abstract:* The National Fire Academy (NFA) and Emergency Management Institute (EMI) (located at the National Emergency Training Center in Emmitsburg, Maryland) use FEMA Form 75-5, General Admissions Application,

to admit applicants to resident courses and programs offered at the NETC. Information from the application form is maintained in the Student Record System. The system: (1) Provides a consolidated record of all FEMA training taken by a student; (2) Identifies or verifies participation in any prerequisite courses; (3) Produces a transcript which can be used by the student in requesting college credit or continuing education units for courses completed; and (4) Determines which students receive stipends to attending NFA courses.

FEMA Form 75-9, National Fire Academy Roster of Course Completion, is used by a State and local sponsoring agency to admit applicants to NFA off-campus courses. The form is completed by the student at the time the class is conducted. The United States Fire Administration/NFA has established a strong cooperative partnership with State and local fire training systems. This partnership has resulted in the ongoing development and delivery of a series of courses which constitute the NFA's off-campus program curriculum. NFA off-campus courses offer short term intensive training designed to provide maximum participation by fire service/rescue personnel and allied professionals, who can not afford the time required for attending on-campus resident programs, to attend training courses within the State and local community.

*Affected Public:* Individuals or households, Not-for-profit institutions, and State, local or tribal governments, and Federal Government.
