Ambrose Uniform, Division of Best Manufacturing Company, Ambrose, Georgia; Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 28, 1996, applicable to all workers of Ambrose Uniform, Division of Best Manufacturing Company, Cordele, Georgia. The notice will soon be published in the Federal Register.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New findings show that the Department's worker certification incorrectly identified the affected workers as being located in Cordele, Georgia. The worker separations took place at the subject firm's Ambrose Plant in Ambrose, Georgia. The workers were engaged in the production of lab coats and shirts. The company reports that no worker layoffs have occurred in Cordele, Georgia.

The intent of the Department's certification is to include those workers of Ambrose Uniform, Division of Best Manufacturing Company, Ambrose, Georgia, adversely affected by imports. Accordingly, the Department is amending the certification to exclude workers at the subject firms' division in Cordele, Georgia and include the workers at the Ambrose, Georgia location.

The amended notice applicable to TA-W-32,486 is hereby issued as follows:

"All workers of Ambrose Uniform, Division of Best Manufacturing Company, Ambrose, Georgia, who became totally or partially separated from employment on or after May 15, 1995 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 12th day of September 1996.
