**Proposed De Minimis Settlement Under Section 122(g) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA), as Amended, 42 U.S.C. § 9622(g), Doepke Holliday Superfund Site, Johnson County, KS**

**AGENCY:** Environmental Protection Agency.

**ACTION:** Notice of proposed de minimis settlement under Section 122(g) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA), as amended, 42 U.S.C. § 9622(g), Koepke Holliday Superfund Site, Johnson County, Kansas.

**SUMMARY:** The United States Environmental Protection Agency (EPA) is proposing to enter into a de minimis administrative settlement to resolve claims under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA), as amended, 42 U.S.C. 9622(g). This settlement is intended to resolve the liability of Batliner Paper Stock Company for the response costs incurred and to be incurred at the Doepke Holliday Superfund Site, Johnson County, Kansas. The proposed settlement consent order was signed by the Environmental Protection Agency (EPA) on September 12, 1996, and approved by the United States Department of Justice on September 26, 1996.

**DATES:** Written comments must be provided on or before December 26, 1996.

**ADDRESSES:** Comments should be addressed to Daniel J. Shiel, Office of Regional Counsel, United States Environmental Protection Agency, Region VII, 726 Minnesota Avenue, Kansas City, Kansas 66101 and should refer to: *In the matter of Batliner Paper Stock Company*, EPA Docket No. VII-96-F-0027.

The proposed administrative consent order may be examined in person at the United States Environmental Protection Agency, Region VII, 726 Minnesota Avenue, Kansas City, Kansas 66101. To request a copy by mail please refer to the matter name and docket number set

forth above and enclose a check in the amount of \$6.50 (25 cents per page for reproduction costs), payable at the United States Environmental Protection Agency.

**SUPPLEMENTARY INFORMATION:** The proposed administrative settlement concerns the Doepke Holliday Superfund Site (Site) in Johnson County, Kansas. The Site encompasses approximately 80 acres and is located at the intersection of Interstate 435 and Holliday Drive. In the 1950s and early 1960s, various parties conducted residential and commercial trash disposal operations on the Site. From approximately 1963 until late 1970, Doepke Disposal Service (DDS) operated a commercial and industrial waste disposal business on the Site. DDS disposed of a wide variety of wastes on the Site, including, *inter alia*, fiberglass and fiberglass resins, paint sludge, waste solvents, metal tailings, petroleum refinery wastes, chemical and pesticide manufacturing wastes, and wastes from commercial operations, including, appliance repair, automobile, truck and trailer repair, packaging materials and printing operations. Hazardous substances, including, but not limited to, the following have been found in soils and/or groundwater at the Site: benzene, 1,2-dichloroethene, ethyl benzene, toluene, vinyl chloride, xylene, naphthalene, chromium, iron, lead, manganese.

EPA placed the Site on the National Priorities List, set forth at 40 CFR Part 300, Appendix B, by publication in the Federal Register on September 8, 1983, 48 Fed. Reg. 40674. A Remedial Investigation and Feasibility Study ("RI/FS") was conducted for the Site pursuant to 40 CFR § 300.430, and the RI/FS Report was completed in July 1989. The decision by EPA on the remedial action to be implemented at the Site was embodied in a final Record of Decision ("ROD"), executed on September 21, 1989.

On May 24, 1996, the United States District Court for the District of Kansas entered a consent decree in the case styled *United States v. Waste Disposal, Inc., et al.*, Civil Action No. 96-2124JWL. In the consent decree the current owner of the Site, past owners and operators, and a number of waste generators, including de minimis generators, agreed to construct, operate and maintain the remedial action, perform monitoring, and reimburse the United States' outstanding response costs. Under the proposed settlement

Batliner Paper Stock Company will pay the United States \$15,000 in exchange for the same settlement terms received by other similar de minimis parties in the Consent Decree.

Dated: October 17, 1996.

Dennis Grams,

*Regional Administrator.*
