Request for Nominations of Candidates for the National Environmental Education Advisory Council

SUMMARY: Section 9 (a) and (b) of the National Environmental Education Act of 1990 (Pub. L. 101–619) mandates a National Environmental Education Advisory Council. The Advisory Council provides advice, consults with, and makes recommendations to the Administrator of the U.S. Environmental Protection Agency (EPA) on matters relating to the activities, functions, and policies of EPA under the Act. EPA is requesting nominations of candidates for membership on the Council. The Act requires that the Council be comprised of eleven (11) members appointed by the Administrator of EPA, after consultation with the Secretary of U.S. Department of Education. Members represent a balance of perspectives, professional qualifications, and experience. The Act specifies that members must represent the following:

• Primary and secondary education (one of whom shall be a classroom teacher)—two members.

Colleges and universities—two members.

• Not-for-profit organizations involved in environmental education—two members.

• State departments of education and natural resources—two members.

• Business and industry—two members.

• Senior Americans—one member. Members are chosen to represent the various geographic regions of the country, and the Council shall have minority representation. The professional backgrounds of Council members include scientific, policy, and other appropriate disciplines. Each member of the Council shall hold office for a one (1) to three (3) year period, which runs from November to November of each calender year. Members are expected to participate in up to two (2) meetings per year and bimonthly or more conference calls per year. Members of the Council shall receive compensation and allowances, including travel expenses, at a rate fixed by the Administrator. There are currently six (6) vacancies on the Advisory Council that must be filled. These include the following:

• Classroom teacher—one vacancy (Nov. 1996–Nov. 1998).

• Not-for-profit organization—one vacancy (Nov. 1996–Nov. 1999).

• State department of education—one vacancy (Nov. 1996–Nov. 1999).

• Business and Industry—two vacancies (Nov. 1996–Nov. 1999).

• Colleges and Universities—one vacancy (Nov. 1996–Nov. 1999).

EPA particularly seeks candidates with demonstrated experience and/or knowledge in any of the following environmental education issue areas:

• Integrating environmental education into state and local education reform and improvement;

• State, national and tribal level environmental education;

• Cross-sector partnerships; leveraging resources for environmental education;

• Professional development for teachers and other education professionals; and
