Comments Relating to Proposed Modified Final Judgment and Response of United States to Comments

Pursuant to Section 2(b) of the Antitrust Procedures and Penalties Act, 15 U.S.C. § (b)-(h) ("APPA"), the United States of America hereby files the public comments it has received relating to the proposed Modified Final Judgment in this civil antitrust proceeding, and herein responds to the public comments.

I. Background

This action was commenced on August 5, 1996, when the United States filed a civil antitrust Complaint under Section 15 of the Clayton Act, as amended, 15 U.S.C. § 25, alleging that the proposed acquisition of Citicasters, Inc. At the same time, the government filed a Competitive Impact Statement explaining the basis for the Complaint and the provisions of the proposed Final Judgment.

On September 16, 1996, the United States filed a Modified Final Judgment with the Court superseding the original Final Judgment. The Modified Final Judgment clarified the obligation of Jacor under Section IX of the Judgment to file notice with the Department of Justice for certain types of transactions. At the same time, the United States filed a stipulation in which the parties consented to the entry of the Modified Final Judgment after completion of the
